This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
CRIME AND FIDELITY COVERAGE PART
EQUIPMENT BREAKDOWN COVERAGE PART
FARM COVERAGE PART

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C**) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Maine, Missouri, Virginia, Wisconsin	Commercial Inland Marine
Maine, Missouri, Massachusetts, Rhode Island, Virginia, Wisconsin, West Virginia	Commercial Property
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

 © Insurance Services Office, Inc., 2015

B. The following exclusion is added:

LIMITED EXCLUSION OF CERTIFIED ACTS OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to such act:

1. The terrorism is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

2. Radioactive material is released, and it appears that one purpose of the terrorism was to release such material; or

3. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical material; or

4. Pathogenic or poisonous biological or chemical material is released, and it appears that one purpose of the terrorism was to release such material.

When this terrorism exclusion applies in accordance with the terms of Paragraph **B.1.** or **B.2.,** the terrorism exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Part or Policy.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" excluded under Paragraph **B.** results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

D. Cap On Certified Terrorism Losses

The following limitation applies to coverage for any one or more "certified acts of terrorism" that are not excluded by the terms of the exclusion in Paragraph **B.** and to any loss or damage that is covered and to which the exception in Paragraph **C.** applies:

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

This Paragraph, **D.,** does not apply to insurance provided under the Crime And Fidelity Coverage Part.

E. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the non-applicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the War And Military Action Exclusion.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs **(2)**, **(3)** and **(4),** we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

(a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;

(b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;

(c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

(d) Remove property of others of a type that would not be Covered Property under this Coverage Form;

(e) Remove deposits of mud or earth from the grounds of the described premises;

(f) Extract "pollutants" from land or water; or

(g) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph **(4),** the following provisions apply:

(a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to **(a)** above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is $5,000 at each location.

(4) We will pay up to an additional $25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus $25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 50,000
Amount of Loss Payable:	$ 49,500
	($50,000 – $500)
Debris Removal Expense:	$ 10,000
Debris Removal Expense Payable:	$ 10,000

($10,000 is 20% of $50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense ($49,500 + $10,000 = $59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3).**

Example 2

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 80,000
Amount of Loss Payable:	$ 79,500
	($80,000 – $500)
Debris Removal Expense:	$ 40,000
Debris Removal Expense Payable	
Basic Amount:	$ 10,500
Additional Amount:	$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: $80,000 ($79,500 + $500) x .25 = $20,000, capped at $10,500. The cap applies because the sum of the loss payable ($79,500) and the basic amount payable for debris removal expense ($10,500) cannot exceed the Limit of Insurance ($90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4),** because the debris removal expense ($40,000) exceeds 25% of the loss payable plus the deductible ($40,000 is 50% of $80,000), and because the sum of the loss payable and debris removal expense ($79,500 + $40,000 = $119,500) would exceed the Limit of Insurance ($90,000). The additional amount of covered debris removal expense is $25,000, the maximum payable under Paragraph **(4).** Thus, the total payable for debris removal expense in this example is $35,500; $4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

(1) While it is being moved or while temporarily stored at another location; and

(2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to $1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

 © Insurance Services Office, Inc., 2011

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is $10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.

(3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

(a) You were required to comply with before the loss, even when the building was undamaged; and

(b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or

(b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is $10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of $10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced at the same or another premises; and

(ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

(3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

 © Insurance Services Office, Inc., 2011

(4) The most we will pay under this Additional Coverage, Electronic Data, is $2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

(a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

(i) Similar use as the building described in the Declarations; or

(ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is $250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

(i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or

(ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is $100,000 at each building.

(b) This Extension does not apply to:

(i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or

(ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

(1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.

(2) Personal property of others in your care, custody or control.

c. Valuable Papers And Records (Other Than Electronic Data)

(1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

(4) Under this Extension, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

(1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:

(a) Temporarily at a location you do not own, lease or operate;

(b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or

(c) At any fair, trade show or exhibition.

(2) This Extension does not apply to property:

(a) In or on a vehicle; or

(b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.

(3) The most we will pay for loss or damage under this Extension is $10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

(1) Fire;

(2) Lightning;

(3) Explosion;

(4) Riot or Civil Commotion; or

(5) Aircraft.

The most we will pay for loss or damage under this Extension is $1,000, but not more than $250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

 © Insurance Services Office, Inc., 2011

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

(a) The trailer is used in your business;

(b) The trailer is in your care, custody or control at the premises described in the Declarations; and

(c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

(a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

(b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is $5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

(1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

(2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

(3) Coverage under this Extension:

(a) Will end 90 days after the business personal property has been placed in the storage unit;

(b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.

(4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is $10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.

(5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is $2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;

2. Pollutant Clean-up And Removal;

3. Increased Cost Of Construction; and

4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	$ 250
Limit of Insurance – Building 1:	$ 60,000
Limit of Insurance – Building 2:	$ 80,000
Loss to Building 1:	$ 60,100
Loss to Building 2:	$ 90,000

The amount of loss to Building 1 ($60,100) is less than the sum ($60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$ 60,100
– 250
$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of $80,000.

Total amount of loss payable:

$59,850 + $80,000 = $139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

(1) Notify the police if a law may have been broken.

 © Insurance Services Office, Inc., 2011

(2) Give us prompt notice of the loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b., c., d.** and **e.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is $2,500 or less, we will pay the cost of building repairs or replacement.

 © Insurance Services Office, Inc., 2011

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

d. Glass at the cost of replacement with safety-glazing material if required by law.

e. Tenants' Improvements and Betterments at:

(1) Actual cash value of the lost or damaged property if you make repairs promptly.

(2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

(a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and

(b) Divide the amount determined in **(a)** above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step **(1);**

(3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step **(2);** and

(4) Subtract the deductible from the figure determined in Step **(3).**

We will pay the amount determined in Step **(4)** or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 100,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

Step **(1):** $250,000 x 80% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $100,000 ÷ $200,000 = .50

Step **(3):** $40,000 x .50 = $20,000

Step **(4):** $20,000 – $250 = $19,750

We will pay no more than $19,750. The remaining $20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 200,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than $39,750 ($40,000 amount of loss minus the deductible of $250).

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When:	The value of the property is:	
	Building at Location 1:	$ 75,000
	Building at Location 2:	$ 100,000
	Personal Property at Location 2:	$ 75,000
		$ 250,000
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	$ 180,000
	The Deductible is:	$ 1,000
	The amount of loss is:	
	Building at Location 2:	$ 30,000
	Personal Property at Location 2:	$ 20,000
		$ 50,000

Step **(1):** $250,000 x 90% = $225,000
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step **(2):** $180,000 ÷ $225,000 = .80

Step **(3):** $50,000 x .80 = $40,000

Step **(4):** $40,000 – $1,000 = $39,000

We will pay no more than $39,000. The remaining $11,000 is not covered.

2. Mortgageholders

a. The term mortgageholder includes trustee.

b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.

d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

(1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

(2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

f. If we cancel this policy, we will give written notice to the mortgageholder at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

 © Insurance Services Office, Inc., 2011

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

(1) On or after the effective date of this Optional Coverage; and

(2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

(1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

(2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

(3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If:	The applicable Limit of Insurance is:	$ 100,000
	The annual percentage increase is:	8%
	The number of days since the beginning of the policy year (or last policy change) is:	146
	The amount of increase is: $100,000 x .08 x 146 ÷ 365 =	$ 3,200

3. Replacement Cost

a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.

b. This Optional Coverage does not apply to:

(1) Personal property of others;

(2) Contents of a residence;

(3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

(4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

d. We will not pay on a replacement cost basis for any loss or damage:

(1) Until the lost or damaged property is actually repaired or replaced; and

(2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

(3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and

(4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1), (2)** or **(3),** subject to **f.** below:

(1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace the lost or damaged property with other property:

(a) Of comparable material and quality; and

(b) Used for the same purpose; or

(3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

A. The exclusion set forth in Paragraph **B.** applies to all coverage under all forms and endorsements that comprise this Coverage Part or Policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense or action of civil authority.

B. We will not pay for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungus", wet rot or dry rot. Such loss or damage is addressed in a separate exclusion in this Coverage Part or Policy.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G.** Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

(1) Regulating the construction, use or repair of any property; or

(2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

(a) An ordinance or law that is enforced even if the property has not been damaged; or

(b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

(a) Airborne volcanic blast or airborne shock waves;

With respect to coverage for Volcanic Action as set forth in **(5)(a), (5)(b)** and **(5)(c),** all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused.

c. Governmental Action

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

h. "Fungus", Wet Rot, Dry Rot And Bacteria

The following provisions apply only to the specified property:

Loss Or Damage To Products

We will not pay for loss or damage to any merchandise, goods or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production or use of the product, including planning, testing, processing, packaging, installation, maintenance or repair. This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

b. Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.

c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

(1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or

(2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

(1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or

(2) Business Income Coverage or Extra Expense Coverage.

e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

(1) Dampness or dryness of atmosphere or of soil supporting the vegetation;

(2) Changes in or extremes of temperature;

(3) Disease;

(4) Frost or hail; or

(5) Rain, snow, ice or sleet.

2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

a. Animals, and then only if they are killed or their destruction is made necessary.

b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:

(1) Glass; or

(2) Containers of property held for sale.

c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

(1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or

 © Insurance Services Office, Inc., 2016

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, **a.** through **d.,** is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

a. $2,500 for furs, fur garments and garments trimmed with fur.

b. $2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth $100 or less per item.

c. $2,500 for patterns, dies, molds and forms.

d. $250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.,** does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

a. Results in discharge of any substance from an automatic fire protection system; or

b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

(1) A cause of loss listed in **2.a.** or **2.b.;**

(2) One or more of the "specified causes of loss";

(3) Breakage of building glass;

(4) Weight of people or personal property; or

(5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

b. Awnings, gutters and downspouts;

c. Yard fixtures;

d. Outdoor swimming pools;

e. Fences;

f. Piers, wharves and docks;

g. Beach or diving platforms or appurtenances;

h. Retaining walls; and

i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.,** we will pay for loss or damage to that property only if:

(1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and

(2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.;**

b. The personal property which collapses is inside a building; and

c. The property which collapses is not of a kind listed in **4.,** regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

a. A "specified cause of loss" other than fire or lightning; or

b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;

b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of $15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

 © Insurance Services Office, Inc., 2016

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

b. Loss or damage must be caused by or result from one of the following causes of loss:

(1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

(2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.

(3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is $5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

(2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss or damage to:

(1) Personal property in the open; or

(2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

(1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
EQUIPMENT – IMPLEMENT DEALERS STOCK FLOATER FORM
GOLF CART DEALERS STOCK FLOATER FORM
CAUSES OF LOSS – BASIC FORM
CAUSES OF LOSS – BROAD FORM
CAUSES OF LOSS – SPECIAL FORM

A. The following is added as an Additional Coverage to the Causes of Loss— Basic Form, Broad Form, Special Form, Equipment – Implement Dealers Stock Floater Form or Golf Cart Dealers Stock Floater Form.

Additional Coverage-- Equipment Breakdown

The term Covered Cause of Loss includes the **Additional Coverage Equipment Breakdow**n as described and limited below. Without an "accident" or "electronic circuitry impairment", there is no Equipment Breakdown Coverage.

1. We will pay for direct physical damage to Covered Property that is the direct result of an "accident" or "electronic circuitry impairment". We will consider "electronic circuitry impairment" to be physical damage to "covered equipment".

2. Unless otherwise shown in a "schedule", the following coverages also apply to the direct result of an "accident" or "electronic circuitry impairment". However, with respect to coverage **2.h. Service Interruption** below and any Dependent Properties coverage provided by this coverage part, coverage will apply only to the direct result of an "accident" and will not apply to the direct result of an "electronic circuitry impairment".

These coverages do not provide additional amounts of insurance.

a. Business Income and Extra Expense

(1) Any insurance provided under the coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a "schedule", then with respect to this endorsement only, the "period of restoration" will begin immediately after the "accident" or "electronic circuitry impairment", and the deductible shown in the "schedule" will apply.

(2) The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a "schedule".

b. Data Restoration

(1) We will pay for your reasonable and necessary cost to research, replace and restore lost "data".

(2) The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is $50,000 unless otherwise shown in a "schedule".

c. Expediting Expenses

(1) With respect to your damaged Covered Property, we will pay the reasonable extra cost to:

(a) Make temporary repairs; and

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission

(b) Expedite permanent repairs or permanent replacement.

(2) The most we will pay for loss or expense under this coverage is $50,000 unless otherwise shown in a "schedule".

d. Hazardous Substances

(1) We will pay your additional cost to repair or replace Covered Property because of contamination by a "hazardous substance". This includes the additional expenses to clean up or dispose of such property.

(2) This does not include contamination of "perishable goods" by refrigerant, including but not limited to ammonia, which is addressed in **2.i.(1)(b)** below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.

(3) The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is $50,000 unless otherwise shown in a "schedule".

e. Off Premises Equipment Breakdown

(1) We will pay for physical damage to transportable "covered equipment" that, at the time of the "accident" or "electronic circuitry impairment", is not at a covered location. As respects this Off Premises Equipment Breakdown coverage only, the "accident" or "electronic circuitry impairment" may occur in any country within the Coverage Territory.

(2) We will also pay for your reasonable and necessary cost to research, replace and restore lost "data" contained within "covered equipment" as described under **(1)** above. This amount may not exceed the limit applicable to Data Restoration coverage.

(3) The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, and Data Restoration as described in **(2)** above is $25,000 unless otherwise shown in a "schedule".

f. Public Relations

(1) This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.

(2) We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:

(a) The media;

(b) The public; or

(c) Your customers, clients or members.

(3) Such costs must be incurred during the "period of restoration" or up to 30 days after the "period of restoration" has ended.

(4) The most we will pay for loss or expense under this coverage is $5,000.

g. Resultant Damage to Animals

(1) Any insurance provided under the coverage part for "animals" is extended to the coverage provided by this endorsement.

(2) The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is $25,000.

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

h. Service Interruption

(1) Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage is extended to apply to your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an "accident" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, Internet access, telecommunications services, "cloud computing services", wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.

(2) "Cloud computing services" must be provided by a professional provider with whom you have a contract.

(3) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to "data" stored in the equipment of a provider of "cloud computing services".

(4) Unless otherwise shown in a "schedule", Service Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the "accident". If the interruption exceeds 24 hours, coverage will begin at the time of the interruption, and the applicable deductible will apply.

(5) The most we will pay in any "one equipment breakdown" for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense, Data Restoration or Spoilage, except that if a limit is shown in a "schedule" for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

i. Spoilage

(1) We will pay for:

(a) Physical damage to "perishable goods" due to spoilage;

(b) Physical damage to "perishable goods" due to contamination from the release of refrigerant, including but not limited to ammonia;

(c) Any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

(2) If you are unable to replace the "perishable goods" before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the "perishable goods" at the time of the "accident" or "electronic circuitry impairment", less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.

(3) The most we will pay for loss, damage or expense under this coverage is $50,000 unless otherwise shown in a "schedule".

3. EXCLUSIONS

All exclusions in the applicable Causes of Loss form, Equipment – Implement Dealers Stock Floater Form or Golf Cart Dealers Stock Floater Form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

a. The following exclusions are modified:

(1) If the Causes of Loss -- Basic Form or Causes of Loss -- Broad Form applies, the following is added to **Exclusion B.2.:**

Depletion, deterioration, corrosion, erosion, wear and tear, or other gradually developing conditions. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

(2) If the Causes of Loss -- Special Form applies, with respect to this endorsement only, the last paragraph of **Exclusion B.2.d.** is deleted and replaced with the following:

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in an "accident" or "electronic circuitry impairment", we will pay for the loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

(3) If the Equipment – Implement Dealers Stock Floater Form applies, with respects to this endorsement only, **Exclusion B.2.d.** is deleted and replaced with the following: Wear and tear, decay or gradual deterioration, rotting, chemicals, insects including termites, vermin and rodents, inherent vice and latent defect. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

(4) If the Golf Cart Dealers Stock Floater Form applies, with respect to this endorsement only, Exclusion E. 9. Is deleted and replaced with the following: Loss caused by or resulting from wear and tear; depreciation or gradual deterioration; rotting; chemicals; insects, including termites; vermin and rodents; inherent vice; latent defect. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

b. The following exclusions are added:

(1) We will not pay for loss, damage or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":

(a) Fire, including smoke from a fire;

(b) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere;

(c) Any other explosion, except as specifically covered under this endorsement;

(d) Any earth movement, including but not limited to earthquake, subsidence, sinkhole collapse, landslide, earth sinking, tsunami or volcanic action;

(e) Flood, surface water, waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not; mudslide or mudflow; or water that backs up or overflows from a sewer, drain or sump. However, if electrical "covered equipment" requires drying out because of the above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies; or

(f) Vandalism.

(2) Coverage under this endorsement does not apply to an "accident" or "electronic circuitry impairment" caused by or resulting from:

(a) Lightning;

(b) Windstorm or hail. However this exclusion does not apply when:

i. "Covered equipment" located within a building or structure suffers an "accident" or "electronic circuitry impairment" that results from wind-blown rain, snow, sand or dust; and

ii. The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow, sand or dust entered.

(c) Smoke; aircraft or vehicles; riot or civil commotion; sprinkler leakage; elevator collision;

(d) Breakage of glass; falling objects; weight of snow, ice or sleet; freezing (caused by cold weather); collapse or molten material;

(e) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or

(5) With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for any increase in loss resulting from an agreement between you and your customer or supplier.

(6) We will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment": Any "fungus", wet rot, dry rot or bacteria, including any presence, growth, proliferation, spread or any activity of "fungus", wet rot, dry rot or bacteria. This includes, but is not limited to, costs arising from clean up, removal, or abatement of such "fungus", wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is "perishable goods", to the extent that such spoilage is covered under Spoilage coverage.

(7) Except as specifically provided under **A.2.b.**, Data Restoration, or **A.2.g.**, Resultant Damage to Animals, we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":

(a) Physical loss or damage to "animals";

(b) Loss, interruption or compromise of any research, test or study involving "animals"; or

(c) Loss of income or extra expense resulting from **(a)** or **(b)** above.

c. Exclusions b.(2)(a), b.(2)(b), b.(2)(c) and **b.(2)(d)** above shall not apply if:

(1) The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;

(2) Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and

(3) The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.

d. Any cause of loss set forth in **Exclusion b.(2)(d)** above that is not a Covered Cause of Loss in this coverage part shall be excluded only as respects Service Interruption coverage.

4. DEFINITIONS

The following definitions are added with respect to this endorsement only:

a. "Accident"

(1) "Accident" means a fortuitous event that causes direct physical damage to "covered equipment". The event must be one of the following:

(a) Mechanical breakdown, including rupture or bursting caused by centrifugal force;

(b) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;

(c) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;

(d) Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or

(e) Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

(2) None of the following is an "accident":

(a) Defect, programming error, programming limitation, computer virus, malicious code, loss of "data", loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind; or

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

(b) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident".

b. "Animal" means any creature of the kingdom Animalia. This includes, but is not limited to, amphibians, birds, fish, insects, mammals, reptiles, and worms.

c. "Boilers and vessels" means:

(1) Any boiler, including attached steam, condensate and feedwater piping; and

(2) Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".

d. "Cloud computing services" means professional, on-demand, self-service data storage or data processing services provided through the Internet or over telecommunications lines. This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. "Cloud computing services" include private clouds if such services are owned and operated by a third party.

e. "Covered equipment"

(1) "Covered equipment" means, unless otherwise specified in a "schedule", Covered Property:
(a) That generates, transmits or utilizes energy; or

(b) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

"Covered equipment" may utilize conventional design and technology or new or newly commercialized design and technology.

(2) None of the following is "covered equipment":

(a) Structure, foundation, cabinet or compartment;

(b) Insulating or refractory material;

(c) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;

(d) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;

(e) "Vehicle" or any equipment mounted on a "vehicle";

(f) Satellite, spacecraft or any equipment mounted on a satellite or spacecraft;

(g) Dragline, excavation or construction equipment; or

(h) Equipment manufactured by you for sale.

f. "Data" means information or instructions stored in digital code capable of being processed by machinery.

g. "Electronic circuitry" means microelectronic components, including but not limited to circuit boards, integrated circuits, computer chips and disk drives.

h. "Electronic circuitry impairment"

(1) "Electronic circuitry impairment" means a fortuitous event involving "electronic circuitry" within "covered equipment" that causes the "covered equipment" to suddenly lose its ability to function as it had been functioning immediately before such event. This definition is subject to the conditions specified in **(2)**, **(3)** and **(4)** below.

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

(2) We shall determine that the reasonable and appropriate remedy to restore such "covered equipment's" ability to function is the replacement of one or more "electronic circuitry" components of the "covered equipment".

(3) The "covered equipment" must be owned or leased by you, or operated under your control.

(4) None of the following is an "electronic circuitry impairment":

(a) Any condition that can be reasonably remedied by:

i. Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;

ii. Rebooting, reloading or updating software or firmware; or

iii. Providing necessary power or supply.

(b) Any condition caused by or related to:

i. Incompatibility of the "covered equipment" with any software or equipment installed, introduced or networked within the prior 30 days; or

ii. Insufficient size, capability or capacity of the "covered equipment".

(c) Exposure to adverse environmental conditions, including but not limited to change in temperature or humidity, unless such conditions result in an observable loss of functionality. Loss of warranty shall not be considered an observable loss of functionality.

i. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.

j. "Media" means material on which "data" is recorded, such as solid state drives, hard disks, optical disks, flash drives, magnetic tapes or floppy disks.

k. "One equipment breakdown" means: If an initial "accident" or "electronic circuitry impairment" causes other "accidents" or "electronic circuitry impairments", all will be considered "one equipment breakdown". All "accidents" or "electronic circuitry impairments" that are the result of the same "accident" or "electronic circuitry impairment" will be considered "one equipment breakdown".

l. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.

m. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus. However, "production machinery" does not mean any boiler, or fired or unfired pressure vessel.

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".

n. "Schedule" means the Equipment Breakdown Coverage Schedule.

o. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle".

B. The Building and Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Commercial Unit-Owners Coverage Form, Equipment – Implement Dealers Stock Floater Form and Golf Cart Dealers Stock Floater are modified as follows.

The definitions stated above also apply to section **B.** of this endorsement.

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a "schedule". If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision **D. Deductible** is deleted and replaced with the following:

a. Deductibles for Each Coverage

(1) Unless the "schedule" indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown".

(2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.

(3) If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

(1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".

(2) Unless more specifically indicated in the "schedule":

(a) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and

(b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the "schedule", we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment". If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

2. CONDITIONS

a. The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Commercial Unit-Owners Coverage Form, Equipment – Implement Dealers Stock Floater Form, the Commercial Property Conditions and the Common Policy Conditions and the Provisions in the Golf Cart Dealers Stock Floater Form.

(1) Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by mailing or delivering a written notice of suspension to:

(a) Your last known address; or

(b) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

(2) Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

(3) Coinsurance

If a coinsurance percentage is shown in a "schedule" for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

b. As respects this endorsement only, the Valuation Condition in the Building and Personal Property Coverage Form, Condominium Association Coverage Form and Condominium Commercial Unit-Owners Coverage Form, the Valuation Condition, Replacement Cost Provision in the Equipment – Implement Dealers Stock Floater Form or the Valuation Provision in the Golf Cart Dealers Stock Floater are deleted and replaced with the following:

Valuation

We will determine the value of Covered Property as follows:

(1) Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:

 © 2015 Includes copyrighted material of Insurance Services Office, Inc with its permission.

(a) The cost to repair the damaged property;

(b) The cost to replace the damaged property on the same site; or

(c) The amount you actually spend that is necessary to repair or replace the damaged property.

(2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.

(3) Except as described in **(4)** below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

(4) Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

(5) The following property will be valued on an Actual Cash Value basis:

(a) Any property that does not currently serve a useful or necessary function for you;

(b) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and

(c) Any Covered Property for which Actual Cash Value coverage is specified in a "schedule",

Actual Cash Value includes deductions for depreciation.

(6) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:

(a) The property was manufactured by you;

(b) The sales price of the property is less than the replacement cost of the property; or

(c) You are unable to replace the property before its anticipated sale.

(7) Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:

(a) For mass-produced and commercially available software, at the replacement cost.

(b) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

The most we will pay for loss, damage or expense under this endorsement arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations unless otherwise shown in a "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

APPRAISAL PROVISION AMENDMENT

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
BUILDERS RISK COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM

Paragraph **E.2. Appraisal** is replaced by the following:

2. Appraisal

If you and we fail to agree on the amount of the cost to repair or replace that part of any covered property we have agreed sustained a covered physical loss, either may demand an appraisal thereof. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the premises is located. The appraisers will separately set the amount of the cost to repair or replace. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

1. Pay its own appraiser; and

2. Bear the other expenses of the appraisal and umpire equally.

Appraisal may not be demanded or pursued if the failure to agree on the amount of the cost to repair or replace relates whatsoever to whether insurance coverage applies to the scope, extent or cause of the repair or replacement or whether a covered loss occurred. If there is an appraisal, we will still retain our right to deny the claim.

The terms set forth in this endorsement replace and supersede any other provisions of this policy related to appraisal or the appraisal process.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

 © Insurance Services Office, Inc., 2012

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

(a) The supervision, hiring, employment, training or monitoring of others by that insured; or

(b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph **(1), (2)** or **(3)** above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **(1)** above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

 © Insurance Services Office, Inc., 2012

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

 © Insurance Services Office, Inc., 2012

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

b. Does not include "bodily injury" or "property damage" arising out of:

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

a. You for any covered "auto".

b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(1) The owner or anyone else from whom you hire or borrow a covered "auto".

(3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

(4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".

(5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to $2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $250 a day because of time off from work.

(5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

(1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

a. Transportation Expenses

We will pay up to $20 per day, to a maximum of $600, for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes Of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

b. Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver under a written rental contract or agreement. We will pay for loss of use expenses if caused by:

(2) Specified Causes Of Loss only if the Declarations indicates that Specified Causes Of Loss Coverage is provided for any covered "auto"; or

However, the most we will pay for any expenses for loss of use is $20 per day, to a maximum of $600.

B. Exclusions

1. We will not pay for "loss" caused by or resulting from any of the following. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss".

a. Nuclear Hazard

(1) The explosion of any weapon employing atomic fission or fusion; or

(2) Nuclear reaction or radiation, or radioactive contamination, however caused.

b. War Or Military Action

(3) Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

2. We will not pay for "loss" to any covered "auto" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. We will also not pay for "loss" to any covered "auto" while that covered "auto" is being prepared for such a contest or activity.

3. We will not pay for "loss" due and confined to:

a. Wear and tear, freezing, mechanical or electrical breakdown.

b. Blowouts, punctures or other road damage to tires.

This exclusion does not apply to such "loss" resulting from the total theft of a covered "auto".

4. We will not pay for "loss" to any of the following:

a. Tapes, records, discs or other similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment.

b. Any device designed or used to detect speed-measuring equipment, such as radar or laser detectors, and any jamming apparatus intended to elude or disrupt speed-measuring equipment.

c. Any electronic equipment, without regard to whether this equipment is permanently installed, that reproduces, receives or transmits audio, visual or data signals.

d. Any accessories used with the electronic equipment described in Paragraph **c.** above.

5. Exclusions **4.c.** and **4.d.** do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:

a. Permanently installed in or upon the covered "auto";

b. Removable from a housing unit which is permanently installed in or upon the covered "auto";

c. An integral part of the same unit housing any electronic equipment described in Paragraphs **a.** and **b.** above; or

d. Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system.

6. We will not pay for "loss" to a covered "auto" due to "diminution in value".

C. Limits Of Insurance

(2) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

b. All electronic equipment that reproduces, receives or transmits audio, visual or data signals in any one "loss" is $1,000, if, at the time of "loss", such electronic equipment is:

(1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;

(2) Removable from a permanently installed housing unit as described in Paragraph **b.(1)** above; or

(3) An integral part of such equipment as described in Paragraphs **b.(1)** and **b.(2)** above.

2. An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".

3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

(1) How, when and where the "accident" or "loss" occurred;

(2) The "insured's" name and address; and

(3) To the extent possible, the names and addresses of any injured persons and witnesses.

b. Additionally, you and any other involved "insured" must:

(1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.

(2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".

(4) Authorize us to obtain medical records or other pertinent information.

(5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment, you must also do the following:

(1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

(2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

(3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

(4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

a. There has been full compliance with all the terms of this Coverage Form; and

b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

 © Insurance Services Office, Inc., 2011

4. Loss Payment – Physical Damage Coverages

At our option, we may:

a. Pay for, repair or replace damaged or stolen property;

b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or

c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

a. This Coverage Form;

b. The covered "auto";

c. Your interest in the covered "auto"; or

d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:

(1) Excess while it is connected to a motor vehicle you do not own; or

(2) Primary while it is connected to a covered "auto" you own.

b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

c. Regardless of the provisions of Paragraph **a.** above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".

d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

The coverage territory is:

(1) The United States of America;

(2) The territories and possessions of the United States of America;

(3) Puerto Rico;

(4) Canada; and

(5) Anywhere in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to**.**

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

SECTION V – DEFINITIONS

A. "Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage".

B. "Auto" means:

1. A land motor vehicle, "trailer" or semitrailer designed for travel on public roads; or

However, "auto" does not include "mobile equipment".

C. "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of these.

D. "Covered pollution cost or expense" means any cost or expense arising out of:

2. Any claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

"Covered pollution cost or expense" does not include any cost or expense arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

a. That are, or that are contained in any property that is:

(1) Being transported or towed by, handled or handled for movement into, onto or from the covered "auto";

(2) Otherwise in the course of transit by or on behalf of the "insured"; or

(3) Being stored, disposed of, treated or processed in or upon the covered "auto";

b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or

c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

 © Insurance Services Office, Inc., 2011

Paragraph **a.** above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

(1) The "pollutants" escape, seep, migrate or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and

(2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraph **6.b.** or **6.c.** of the definition of "mobile equipment".

Paragraphs **b.** and **c.** above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

(a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and

(b) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.

E. "Diminution in value" means the actual or perceived loss in market value or resale value which results from a direct and accidental "loss".

F. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

G. "Insured" means any person or organization qualifying as an insured in the Who Is An Insured provision of the applicable coverage. 2. A sidetrack agreement;

3. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement; or

6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

b. That pertains to the loan, lease or rental of an "auto" to you or any of your "employees", if the "auto" is loaned, leased or rented with a driver; or

b. Cherry pickers and similar devices used to raise or lower workers; or

6. Vehicles not described in Paragraph **1., 2., 3.** or **4.** above maintained primarily for purposes other than the transportation of persons or cargo. However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

a. Equipment designed primarily for:

(1) Snow removal;

(3) Street cleaning;

A. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury, damage, loss or expense, is enclosed in quotation marks:

1. "Terrorism" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

(1) Use or threat of force or violence; or

(2) Commission or threat of a dangerous act; or

(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information or mechanical system; and

b. When one or both of the following apply:

(1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

(2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. "Any injury, damage, loss or expense" means any injury, damage, loss or expense covered under any Coverage Form or Policy to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "loss", loss of use, rental reimbursement after "loss" or "covered pollution cost or expense", as may be defined under this Coverage Form, Policy or any applicable endorsement.

B. Except with respect to Physical Damage Coverage, Trailer Interchange Coverage, Garagekeepers Coverage, Garagekeepers Coverage – Customers' Sound Receiving Equipment or the Single Interest Automobile Physical Damage Insurance Policy, the following exclusion is added:

Exclusion Of Terrorism

We will not pay for "any injury, damage, loss or expense" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury, damage, loss or expense" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury, damage, loss or expense. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

 © Insurance Services Office, Inc., 2013

2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or

3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs **B.5.** and **B.6.** are exceeded.

With respect to this exclusion, Paragraphs **B.5.** and **B.6.** describe the thresholds used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form, Policy or any applicable endorsement.

C. With respect to Physical Damage Coverage, Trailer Interchange Coverage, Garagekeepers Coverage, Garagekeepers Coverage – Customers' Sound Receiving Equipment or the Single Interest Automobile Physical Damage Insurance Policy, the following exclusion is added:

Exclusion Of Terrorism

We will not pay for any "loss", loss of use or rental reimbursement after "loss" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or

3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold in Paragraph **C.5.** is exceeded.

 © Insurance Services Office, Inc., 2013

With respect to this exclusion, Paragraph **C.5.** describes the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form, Policy or any applicable endorsement.

D. In the event of any incident of "terrorism" that is not subject to the exclusion in Paragraph **B.** or **C.,** coverage does not apply to "any injury, damage, loss or expense" that is otherwise excluded under this Coverage Form, Policy or any applicable endorsement.

Ending This Policy

A. Cancellation

1. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.

2. When this policy is in effect less than 90 days and is not a renewal or continuation policy, we may cancel for any reason by mailing written notice of cancellation. If we cancel for nonpayment of premium, we will mail you at least 10 days' notice. If we cancel for any other reason, we will mail you at least 30 days' notice.

3. When this policy is in effect 90 days or more or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:

a. Nonpayment of premium.

b. You or any family member who either lives with you or customarily uses a covered "auto" has had his or her driver's license suspended or revoked during the policy period.

However, we may not cancel for this reason if the operator whose license is suspended or revoked is excluded from coverage under this policy.

c. You move to a state where we are not licensed to do business.

d. Fraud, concealment or misrepresentation made by the "insured" to us of any material fact in obtaining the policy, continuing the policy, or in presenting a claim under the policy.

e. We replace this policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will become effective when this policy is cancelled and will end on this policy's effective date.

4. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. If you cancel, the refund, if any, will be computed in accordance with our customary short rate procedure. If we cancel, the refund, if any, will be computed pro rata.

5. The effective date of cancellation stated in the notice shall become the end of the policy period.

6. If we cancel for any reason described in Paragraphs **A.3.a.** through **e.** above, we will mail written notice of cancellation at least:

a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

b. 30 days before the effective date of cancellation if we cancel for any other reason.

7. The notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

B. Nonrenewal

1. If we decide not to renew or continue this policy we will mail you written notice of nonrenewal, stating the reason(s) for nonrenewal, at least 30 days before the end of the policy period. If the policy period is other than one year or is a continuous policy, we will have the right not to renew or continue it only at each annual anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

2. If we fail to mail proper notice of nonrenewal and you obtain other insurance, this policy will end on the effective date of that insurance.

C. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed to your last known address. However, we may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice.
