ARTICLE III

PURPOSES; RESTRICTIONS

Section 1. Purposes. This Declaration is being made to establish separate individual parcels from the Condominium Property, to which fee-simple interests may be conveyed; to establish a unit owners' association to administer the Condominium; to provide for the preservation of the values of Units and the Common Areas; to provide for and promote the benefit, enjoyment and well being of Unit owners and occupants; to administer and enforce the covenants, easements, charges and restrictions hereinafter set forth; and to raise funds through assessments to accomplish these purposes.

Section 2. Restrictions. The Condominium Property shall be subject to the following restrictions:

(a) Unit Uses. Except as otherwise specifically provided in this Declaration, no Unit shall be used for any purpose other than that of a residence and purposes customarily incidental thereto. Notwithstanding the foregoing: (i) professional and quasi-professional occupants may use a Unit as an auxiliary or secondary facility to an office established elsewhere; (ii) an occupant maintaining a personal or professional library, keeping personal business or professional records or accounts, or conducting personal business or professional telephone calls or correspondence, in or from a Unit, is engaging in a use expressly declared customarily incidental to principal residential use and is not in violation of these restrictions; (iii) it shall be permissible for the

Declarant to maintain, during the period of its sale of Units, one or more Units as sales models and offices and/or for storage and maintenance purposes; and (iv) one or more Units may be maintained for the use of the Association in fulfilling its responsibilities.

(b) Common Areas Uses. The Common Areas (except the Limited Common Areas) shall be used in common by Unit owners and occupants and their agents, servants, customers, invitees and licensees, in accordance with the purposes for which they are intended, and as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of Units, provided, however, that unless expressly provided otherwise herein, no Common Areas shall be used for any purpose other than the health, safety, welfare, convenience, comfort, recreation or enjoyment of Unit owners and occupants, subject to such rules and regulations as may from time to time be promulgated by the Board.

(c) Limited Common Areas Uses. Except as specifically provided otherwise herein, those portions of the Common Areas described herein and shown on the Drawings as Limited Common Areas shall be used and possessed exclusively by the Unit owners and occupants of the Unit or Units served by the same, subject to the restrictions on use of Common Areas and Limited Common Areas set forth in this Declaration and such rules and regulations as may from time to time be promulgated by the Board.

(d) Visible Areas. Nothing shall be caused or permitted to be hung or displayed on the outside or inside of windows (except inoffensive drapes or curtains) or placed on the outside walls of a building or otherwise outside of a Unit, or any part thereof, and no sign (except those of the Declarant), awning, canopy, shutter or television or citizens' band or other radio antenna or transmitter, or any other device or ornament shall be affixed to or placed upon the exterior walls or roof or any part thereof, or in or on a patio or balcony unless authorized by the Board, and subject to such rules and regulations as the Board may adopt from time to time.

(e) Nuisances. No noxious or offensive activity shall be carried on in any Unit, or upon the Common Areas, nor shall either be used in any way or for any purpose which may endanger the health of or unreasonably disturb any occupant.

(f) Vehicles. The Board may promulgate regulations restricting the parking of automobiles, inoperable vehicles, trucks, boats and recreational vehicles on the Common Areas, and may enforce such regulations or restrictions by levying fines or enforcement charges, having such vehicles towed away, or taking such other actions as it, in its sole discretion, deems appropriate.

(g) Renting and Leasing. No Unit or part thereof, unless the same is owned by the Association, shall be rented or used for transient or hotel purposes, which is defined as: (i) rental for any period less than thirty (30) days; (ii) rental under which occupants are provided customary hotel services such as room service for food and beverages, maid service, the furnishing of laundry and linen, busboy service, and similar services; or (iii) rental to roomers or boarders, that is, rental to one or more persons of a portion of a Unit only. No lease may be of less than an entire Unit. Any lease agreement shall be in writing, shall provide that the tenant shall be subject in all

respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the lessee to comply with the terms of the Condominium organizational documents and lawful rules and regulations shall be a default under the lease.

(h) Signs. No sign of any kind shall be displayed to the public view on the Condominium Property except: (a) on the Common Areas, signs regarding and regulating the use of the Common Areas, provided they are approved by the Board; (b) on the interior side of the window of a Unit, one professionally prepared sign advertising the Unit for sale or rent; and (c) on the Common Areas and model Units, signs advertising the sale of Units by the Declarant during the initial sales/rental period, which shall continue until all units have been sold to parties unrelated to the Declarant.

(i) Replacements. Any building erected to replace an existing building containing Units shall be of new construction, be of comparable size, design and construction to that replaced, and shall contain a like number of Units of comparable size to the Units in the building replaced.

(j) Structural Integrity. Nothing shall be done in any Unit, or in, on or to the Common Areas, which may impair the structural integrity of any improvement.

(k) Building on Easements. Within the easements for the installation and maintenance of utilities and drainage facilities no structure, planting or other material (except such as exist at the time of this Declaration) shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utility lines or which may change the direction of the flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement areas. The utility facilities within the easement areas shall be subject to the right of the Association to maintain the same, and its right to delegate that right to a public authority or utility.

(l) Animals. Except as hereinafter provided, no animals, livestock or poultry of any kind shall be raised, bred or kept in any Unit or on the Common Areas. Notwithstanding the foregoing, household domestic pets, not bred or maintained for commercial purposes, may be maintained in a Unit, provided that: (i) no animals shall be permitted in any portion of the Common Areas except on a leash (not longer than six feet in length) maintained by a responsible person; (ii) the permitting of animals on the Common Areas shall be subject to such rules and regulations as the Board may from time to time promulgate, including, without limitation, the right to place limitations on the size, number and type of such pets, and the right to levy fines and enforcement charges against persons who do not clean up after their pets; and (iii) the right of an occupant to maintain an animal in a Unit shall be subject to termination if the Board, in its its full and complete discretion, determines that maintenance of the animal constitutes a nuisance or creates a detrimental effect on the Condominium or other Units or occupants.

(m) Conveyances. Each Unit shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof. The undivided interest of a Unit in the Common Areas shall

be deemed to be conveyed or encumbered with the Unit even though that interest is not expressly mentioned or described in the deed, mortgage or other instrument of conveyance or encumbrance. The right of a Unit owner to sell, transfer or otherwise convey that owner's Unit is not subject to any right of first refusal or similar restriction, and any Unit owner may transfer that owner's Unit free of any such limitation. To enable the Association to maintain accurate records of the names and addresses of Unit owners, each Unit owner agrees to notify the Association, in writing, within five days after an interest in that Unit owner's Unit has been transferred to another person. In addition, each Unit owner agrees to provide to a purchaser of that owner's Unit a copy of the Condominium organizational documents and all effective rules and regulations.

(n) Discrimination. No action shall at any time be taken by the Association or its Board which in any manner would discriminate against any Unit owner in favor of another.

(o) Architectural Control. Except as hereinafter specifically provided, no building, fence, wall, sign or other structure shall be commenced, erected or maintained upon the Condominium Property, or any part thereof, nor shall any exterior addition to or change or alteration therein be made, until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by the Board or its designated representative, as to lawfulness and appropriateness, and as to harmony of external design, color and location in relation to surrounding structures and topography. In the event the Board, or its designated representative, fails to approve or disapprove such plans and specifications within sixty (60) days after they have been submitted to it, approval will not be required and these provisions will be deemed to have been fully complied with.

(p) Arbitration. In the event of any dispute between Unit owners as to the application of these restrictions or any rule or regulation promulgated by the Board, the party aggrieved shall submit a complaint in writing to the Board specifying the dispute. The Board shall set a time, date and place for a hearing thereon within sixty (60) days thereafter, and give written notice to each party thereof no less than three days in advance. The Board shall thereupon hear such evidence on the dispute as the Board deems proper and render a written decision on the matter to each party within thirty (30) days thereafter. No action at law may be instituted by either party to such a dispute unless arbitration pursuant hereto has first been had.

ARTICLE IV

IMPROVEMENT DESCRIPTIONS

The residential buildings of the Condominium contain twenty-two units, all constructed in a townhouse plan. The principal materials of which these buildings are constructed are wood, glass, concrete, concrete block, and drywall. The buildings are located as shown on the Drawings.

ARTICLE V

UNITS

Section 1. Unit Designations. Each of the 22 Units is designated on the Drawings by a number, the first one or two digits of which are the building number, and the last four digits of which are intended to be address numbers. Information concerning the Units, with a listing of proper Unit designations, is shown on the attached "Exhibit B".

Section 2. Composition of Units.

(a) Unit Composition. Each Unit consists of the space in the building designated by that Unit's designation on the Drawings that is bounded by the undecorated interior surfaces of the perimeter walls, the unfinished surface of the basement or garage floor, and the unfinished interior surface of the roof deck, all projected, if necessary by reason of structural divisions such as interior walls and partitions, to constitute a complete enclosure of space, and all improvements within that space. Without limiting the generality of the foregoing, each Unit shall include:

(1) the decorated surfaces, including paint, lacquer, varnish, wallpaper, tile and other finishing material applied to floors, roof decks, and interior and perimeter walls and carpets, and the drywall, paneling and other finishing material attached to the perimeter walls;

(2) all windows, screens and doors, including storm doors and windows, if any, and including the frames, sashes and jambs and the space occupied thereby, and the hardware therefor;

(3) all fixtures and appliances installed for the exclusive use of that Unit, commencing at the point of disconnection from the structural body of the building and from utility pipes, lines or systems serving the entire building or more than one Unit thereof, including, without limiting the generality hereof, built-in cabinets, dishwashers, garbage disposal units, refrigerators, stoves and hoods, television antennas and cables, furnaces, hot water heaters, heat pumps, and air-conditioning units, and components thereof, if any, (even if located outside of the bounds of the Unit), serving only that Unit;

(4) all control knobs, switches, thermostats and electrical outlets and connections affixed to or projecting from the walls, floors and roof decks which service either the Unit or the fixtures located therein, together with the space occupied thereby;

(5) all interior walls, that are not necessary for support of the structure, and all components thereof and all space encompassed thereby;

(6) all plumbing, electric, heating, cooling and other utility or service lines, pipes, wires, ducts or conduits which serve either the Unit or the fixtures located therein, and which are located within the bounds of the Unit, or within the exterior walls of that Unit;

excluding therefrom, however, all of the following items located within the bounds of that Unit:

(1) any structural element of the building contained in interior walls; and

(2) all plumbing, electric, heating, cooling and other utility or service lines, pipes, sump pumps and accessories thereto wires, ducts and conduits which serve any other Unit.

(b) Unit Sizes; Locations and Components. The location of each part of each Unit, the approximate size of each Units interior, and the number of rooms in each Unit are shown on the Drawings.

ARTICLE VI

COMMON AND LIMITED COMMON AREAS

Section 1. Common Areas - Description. All of the Condominium Property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the Drawings as a part of a Unit, are Common Areas.

Section 2. Limited Common Areas - Description. Those portions of the Common Areas that are labeled or designated "LCA" or "limited common areas" on the Drawings, are Limited Common Areas. In the case of each Unit, the Limited Common Areas appurtenant to that Unit consist of a patio, a deck (if any), and the driveway area in front of such Unit. All such Limited Common Area is reserved for the exclusive use of the owners and occupants of the Unit designated to be served by the same.

Section 3. Undivided Interest. The initial undivided interest in the Common Areas of each Unit is one/twenty-second (1/22) and, in each case, is based on each Unit having a par value of one, and an equal interest in the Common Areas. The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

If at a later time the Condominium is expanded, as hereinafter provided, the par value of each unit shall equal one, and the undivided interests of Units in the Common Areas shall be uniformly reallocated so that the undivided interest of each Unit added shall be the same as each other Unit so that the undivided interest of each Unit is equal.

ARTICLE VII

UNIT OWNERS' ASSOCIATION

Section 1. Establishment of Association. The Association has been formed to be and to serve as the Unit owners' association of the Condominium. The Declarant is presently the sole member of the Association.

Section 2. Membership. Membership in the Unit Owners' Association shall be limited to the Unit owners, and every person or entity who is or become a record

owner of a fee or undivided fee-simple interest in a Unit is a Unit owner and shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Unit, and transfer of a Unit shall automatically transfer membership to the transferee.

Section 3. Voting Rights. Each Unit owner shall be entitled to one vote for each Unit owned in fee simple, and a proportionate part of a vote for ownership of an undivided fee-simple interest in a Unit, provided, that unless timely challenged by an owner of a fee simple interest in a Unit, any owner of a fee simple interest in that Unit may cast the entire vote with respect to that Unit.

Section 4. Board of Trustees. The Board initially shall be those three persons named as the initial trustees pursuant to the provisions of the Articles, or such other person or persons as may from time to time be substituted by Declarant. No later than the time that Units to which 25% of the undivided interests in the Common Areas appertain have been sold and conveyed by the Declarant, the Unit Owners shall meet and from and after that date there shall be six Trustees. The Unit owners other than the Declarant shall elect one-third (two) of the Trustees at such meeting and the Declarant shall designate the other two-thirds (four) of the Trustees, which six Trustees shall serve until the meeting described in the next paragraph. For purposes of computing the undivided interests referred to in this and the following paragraph, those interests shall be computed by comparing the number of Units sold and conveyed to the maximum number of Units that may be created (102).

Within thirty days after the earlier of (a) five years from the date of the establishment of the Association, and (b) the sale and conveyance, to purchasers in good faith and for value, of Units to which 75% of the undivided interests in the Common Areas appertain, the Association shall meet and all Unit owners, including the Declarant, shall elect six Trustees to replace all of those Trustees earlier elected or designated by the Unit owners or Declarant, respectively, and elect new officers of the Association. The terms of the six trustees shall be staggered so that the terms of one-third of the Trustees will expire and successors be elected at each annual meeting of the Association. Thereafter, at such annual meetings, successors to the two trustees whose terms then expire shall be elected to serve three-year terms.

Notwithstanding the foregoing, Declarant shall have the right at any time to waive its right to select on or more Trustees or to vote in an election of Trustees.

Section 5. Authority. The Board shall have all authority to manage, maintain, repair, replace, alter and improve the Common Areas and assess and collect funds for the payment thereof, and do all things, and exercise all rights provided by the Condominium organizational documents, or the Condominium act, that are not specifically reserved to Unit owners.

Section 6. Delegation of Authority; Professional Management. The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a common expense, provided, however, that any agreement for professional management shall be terminable

by the Association for cause on thirty (30) days written notice; shall be terminable by either party, without penalty, on ninety (90) days written notice; shall not exceed one year unless renewed by agreement of the parties for successive one-year periods; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing. Subject to the foregoing, nothing contained herein shall preclude Declarant, or any other entity designated by Declarant, from being employed as managing agent. The managing agent, or the Board, if there is no managing agent, shall have the authority to enter into contracts with Declarant, as defined by an institutional first mortgagee or agency or organization which purchases or insures first mortgages, for goods, services, or for any other thing, including, without limiting the generality of the foregoing, contracts for the providing of management, maintenance and repair services, provided the same are bona fide and commercially reasonable to the Unit owners at the time entered into under the circumstances then prevailing and are terminable by the Association, without cause and without penalty, on ninety (90) days written notice.

The decision by the Board not to have professional management, or to terminate professional management and assume self management, shall not be made without the consent of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of votes of Units subject to such mortgages appertain.

ARTICLE VIII

AGENT FOR SERVICE

The name of the person to receive service of process for the Association, and that person's residence or place of business, which is Franklin County, Ohio, where the Condominium is situated, is:

ARTICLE IX

MAINTENANCE AND REPAIR

Section 1. Association Responsibility. The Association shall maintain and repair the Common Areas, including and not limited to utility facilities serving more than one Unit, utility lines in the Common Areas, lawns, shrubs, trees, walkways, and all buildings which are a part of the Common Areas, and, provided, however, that the Association shall not be required to provide routine maintenance or cleaning or snow removal with respect to patios, decks, or limited common driveway areas, nor shall it repair or maintain any improvements within such limited common areas.

Section 2. Individual Responsibility. Each Unit owner shall repair and maintain the Unit or Units, and all components thereof, owned by that Unit owner, and provide

routine maintenance and cleaning and snow removal with respect to the patio, decks, and limited common driveway areas, appurtenant to that Owner's Unit. Without limiting the generality of the foregoing, this repair and maintenance responsibility shall include repair and maintenance of all windows, screens and doors, including the frames, sashes and jambs, and the hardware therefor; and repair and maintenance of the interior of the patios, and decks and any improvements therein. In the event a Unit owner shall fail to make any such repair or perform such maintenance, or in the event the need for maintenance or repair of any part of the Common Areas or Limited Common Areas is caused by the negligent or intantional act of any Unit owner or occupant, or is as a result of the failure of any Unit owner or his, her or its predecessors in title to timely pursue to conclusion a claim under any warranty, express, implied, or imposed by law, and the cost of repair is not covered by insurance, the cost of such maintenance and repair shall constitute a special individual Unit assessment, as hereinafter defined, on the Unit owned by such Unit owner. The determination that such maintenance or repair is necessary, or has been so caused, shall be made by the Board.

ARTICLE X

UTILITY SERVICES

Each Unit owner by acceptance of a deed to a Unit agrees to pay for utility services separately metered or separately charged by the utility company to that Unit. In the event any utility service is not separately metered the cost thereof shall be a common expense and paid by the Association.

ARTICLE XI

INSURANCE; LOSSES BONDS

Section 1. Fire and Extended Coverage Insurance. The Board shall have the authority to and shall obtain insurance for all buildings, structures, supplies, machinery, fixtures and equipment and common personal property and supplies now or at any time hereafter constituting a part of the Common Areas or common property of the Association, against loss or damage by fire, lightning, and such other perils as are ordinarily insured against by standard extended coverage endorsements, and all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available, policies issued in the locale of the Condominium Property, in amounts at all times sufficient to prevent the Unit owners from becoming co-insurers under the terms of any applicable co-insurance clause or provision and not less than one hundred (100%) of the current replacement cost of such items (exclusive of land, foundations, footings, excavations, and other items normally excluded from coverage), as determined from time to time by the insurer, with a deductible not greater than the lesser of $10,000 or 1% of the face amount of the policy. This insurance:

(a) shall provide coverage for improvements, alterations, fixtures and equipment located within Units; interior walls, windows and doors and the frames, sashes, jambs and hardware therefor, even though these improvements may be parts of Units; and any other items of personal property for which

coverage is required by The Mortgage Corporation, Federal National Mortgage Association, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium;

(b) shall provide that no assessment may be made against a first mortgage lender, or its insurer or guarantor, and that any assessment under such policy made against others may not become a lien on a unit and its appurtenant interests superior to a first mortgage;

(c) shall be obtained from an insurance company authorized to write such insurance in the State of Ohio which has a current rating of Class B/III, or better, or, if such company has a financial rating of Class II, then such company must have a general policy holder's rating of at least A, all as determined by the then latest edition of Best's Insurance Reports, or its successor guide, or such higher rating as may, from time to time, be required by The Mortgage Corporation, Federal National Mortgage Association, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium; or, if the insurer does not satisfy these rating requirements, that insurer is reinsured by a company that has a B/III or better rating;

(d) shall provide that its coverage is primary, and be written in the name of the Association for the use and benefit of the individual Unit owners, or its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual Unit Owners.

(e) shall contain or have attached the standard mortgagee clause commonly accepted by institutional mortgage investors in the area in which the Condominium Property is located, naming the holder, insurer, guarantor or servicer of first mortgages on Units, which must provide that the insurance carrier shall notify all holders of first mortgages named at least ten (10) days in advance of the effective date of any reduction in, cancellation of, or substantial change in the policy, and which standard mortgagee clause must further be endorsed to provide that any loss shall be paid to the Association (or its insurance trustee), as a trustee for each Unit owner and each such Unit owner's mortgagee;

(f) shall contain a waiver of subrogation of rights by the carrier as to the Association, its officers and Trustees, and all Unit owners, and the rights of the various parties to collect pursuant to such insurance shall not be prejudiced by the acts or failure to act of any Unit owner or person under the control of the Association; and

(g) shall contain such other endorsements and meet such other requirements as are, from time to time, required by The Mortgage Corporation, Federal National Mortgage Association, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium;

The cost of this insurance shall be a common expense, payable by the Association.

Section 2. Liability Insurance. The Association shall obtain and maintain a comprehensive policy of general liability insurance covering all of the Common Areas, insuring the Association, the Trustees, and the Unit owners and occupants, with such limits as the Board may determine, but no less than the greater of (a) the amounts generally required by private institutional mortgage investors for projects similar in construction, location and use, and (b) one million dollars, ($1,000,000), for bodily injury, including deaths of persons, and property damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Unit owner because of negligent acts of the Association, the Board, or other Unit owners and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Areas, legal liability arising out of lawsuits related to employment contracts of the Association, and additional coverages as are ordinarily obtained with respect to projects similar in construction, location and use. Each such policy must provide that it may not be cancelled or substantially modified by any party, without at least 10 days' prior written notice to the Association and to each Eligible holder of a first mortgage lien upon any Unit.

Section 3. Fidelity Coverage. The Board shall obtain and maintain fidelity coverage for the Association against dishonest or fraudulent acts on the part of the directors, managers, trustees, employees, agents, or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance shall name the Association as the named obligee or insured and shall be written in an amount sufficient to provide protection, which is in no event less than the greater of: (i) 150% of the estimated annual operating expense of the Association, including reserves, (ii) the maximum funds that will be in the custody of the Association or its agent at any time; or (iii) the sum of three months worth of assessments plus the Association's reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The bond or policy shall provide that it shall not be cancelled or substantially modified (including cancellation for not-payment of premium) without at least 10 days' prior written notice to the association, any insurance trustee, and any holder, insurer, guarantor or servicer on behalf of any holder of any mortgage on a Unit who requires such rights. Any managing agent that handles funds for the Association shall be required to obtain its own fidelity bond providing similar coverage.

Section 4. Other Association Insurance. In addition, the Board may purchase and maintain contractual liability insurance, trustees' and officers' liability insurance, and such other insurance as the Board may determine.

Section 5. Insurance Representative; Power of Attorney. Notwithstanding any of the foregoing provisions of this Article, or any requirement relating to property or liability insurance herein, there may be named, under any policy obtained by the Association, as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into an insurance trust agreement, or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy. Each Unit owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and

maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor, shall receive, hold or otherwise property dispose of any proceeds of insurance, in trust, for Unit owners and their first mortgage holders, as their interests may appear. This power is for the benefit of each and every Unit owner, and their respective first mortgage holders, and the Association, and the Condominium, runs with the land, and is coupled with an interest.

Section 6. Unit Owners' Insurance. Any Unit owner or occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Unit owner or occupant may determine, subject to the provisions hereof, and provided that no Unit owner or occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association. In the event any Unit owner or occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Unit owner who acquired or whose occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds. Without limiting the foregoing, a Unit owner or occupant may obtain insurance against liability for events occurring within a Unit, losses with respect to personal property and furnishings, and losses to improvements owned by the Unit owner or occupant, provided that if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Unit owner with respect to improvements within the Unit shall be limited to the type and nature of coverage commonly referred to as "tenants' improvements and betterments". All such insurance separately carried shall contain a waiver of subrogation rights by the carrier as to the Association, its officers and Trustees, and all other Unit owners and occupants.

Section 7. Sufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken by the Association and the insurance proceeds shall be applied by the Board in payment therefor; provided, however, that in the event that within sixty (60) days after such damage or destruction the Unit owners and eligible holders of first mortgages, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect to terminate the Condominium, then such repair, restoration or reconstruction shall not be undertaken.

Section 8. Insufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril which is not insured against, or, if insured against, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction, then, unless the Unit owners and eligible holders of first mortgages if they are entitled to do so pursuant to the provisions of this Declaration shall elect within sixty (60) days after such damage or destruction not to make such repair, restoration or reconstruction, the Association shall make repairs, restoration or reconstruction of the Common Areas so damaged or destroyed

at the expense (to the extent not covered by insurance) of all Unit owners in proportion to their respective undivided interests in the Common Areas. Should any Unit owner refuse or fail after reasonable notice to pay that Unit owner's share of such cost in excess of available insurance proceeds, the amount so advanced by the Association shall be assessed against the Unit of such Unit owner and that assessment shall have the same force and effect, and, if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments.

ARTICLE XII

DAMAGE; RESTORATION; REHABILITATION AND RENEWAL

Section 1. Restoration of Damage or Destruction. In the event of damage to or destruction of Common Areas or Units, the Association may, with the prior written consent of Unit owners entitled to exercise not less than eighty percent (80%) of the voting power of Unit owners (for the purposes of the foregoing, such consent with respect to a Unit owned by the Declarant shall not be valid unless prior written consent is obtained from the mortgagee of such Unit), and the consent of eligible holders of first mortgages on Units to which at least seventy-five percent (75%) of the votes of Units subject to mortgages held by Eligible holders of mortgages appertain, determine not to repair or restore such damage or destruction. In the event that such an election is made after substantial damage to or destruction of all units in a residential building, all of the Condominium Property shall be sold as upon partition.

In the event of an election not to repair or restore substantial damage or destruction, the net proceeds of insurance paid by reason of such damage or destruction shall be added to the proceeds received from the sale as upon partition, and the total amount distributed among the owners of the Units, and the holders of their respective first mortgage liens, (as their interests may appear), in proportion to their percentage interests in Common Areas.

Section 2. Rehabilitation and Renewal. The Association, with the consent of Unit owners entitled to exercise not less than seventy-five percent (75%) of the voting power of Unit owners, and the consent of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible holders of mortgages appertain, may determine that the Condominium is obsolete in whole or in part and elect to have the same renewed and rehabilitated. The Board shall thereupon proceed with such renewal and rehabilitation and the cost thereof shall be a common expense.

ARTICLE XIII

CONDEMNATION

Section 1. Standing. Except as hereinafter provided, the Association, or its designated representative, or authorized successor, as trustee, shall represent the Unit owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of all or any part of the Condominium Property, and shall have the sole and exclusive right to settle the loss with the condemning authority and to receive the award or proceeds

of settlement, for the use and benefit of the Unit owners and their mortgagees as their interests may appear. Notwithstanding the foregoing, in the event that a Unit owner may lawfully separately pursue and realize upon a claim for incidental and consequential losses or damage to that Unit owner resulting from a taking under the power of eminent domain, such as for relocation and moving expenses, loss of favorable mortgage terms, and other such individual incidental or consequential loss, that Unit owner may, at his, her or its election, separately pursue such claim, provided, that the pursuing of the same, or the realization of an award thereof, neither jeopardizes, in any way, an action by the Association to recoup the losses incurred by it, any other Unit owner, or the direct loss with respect to the Unit itself, or with regard to the usability thereof, nor diminishes any award for any such loss.

Section 2. Use of Proceeds. The award or proceeds of settlement in any such proceedings, after reduction by the costs, if any, incurred in obtaining the same, shall be applied first to the cost of restoring or replacing all damaged improvements on the remaining Condominium Property in accordance with the Drawings, or in accordance with any new plans and specifications therefor approved by Unit owners exercising no less than seventy-five percent (75%) of the voting power of Unit owners, and the holders of eligible first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible holders of first mortgages appertain. If the award or proceeds are insufficient for such purpose, the excess cost shall be paid by the Association and, to the extent funds of the Association are insufficient therefor, in the judgment of the Board, such excess cost shall be a common expense and assessed among the Units in the same manner as special assessments for capital improvements are assessed. Except as hereinafter provided, the balance of any such award or proceeds of settlement, if there is an excess, shall be allocated and distributed to the Unit owners, and their first mortgagees, as their interests may appear, in proportion to the relative undivided interests of the Units in the Common Areas. Notwithstanding the foregoing, in the event that as a result of any such taking, and consequent restoration or replacement, any Unit could not reasonably be restored to a condition comparable to that which existed prior to the taking, or could not be replaced, prior to the allocation and disbursement of any sum to any other Unit owner or his, her or its mortgagee, there shall be allocated and disbursed from such award or proceeds, to each Unit owner whose Unit cannot be so restored or replaced, and his, her or its respective first mortgagee, as their interests may appear, such amount as is equal to the then fair market value of the Unit that cannot be so restored or replaced. Thereupon, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the Condominium, the Condominium property, and the Association, including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association, and liability for common expenses. All such rights and interests shall be reallocated among all other Units and Unit owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium, (a) the voting right of that Unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (b) the undivided interest of that Unit will be reallocated among all other Units in the proportions of their relative undivided interests prior to such taking.

Section 3. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association, or its designated representative, or authorized successor, as his, her or its attorney-in-fact to represent that Unit owner, settle losses, receive and utilize the award or proceeds of settlement, and do all things necessary or desirable for such attorney-in-fact to exercise the rights and fulfill the responsibilities of the Association set forth in this Article with respect to condemnation or eminent domain proceedings. This power is for the benefit of each and every Unit owner, each holder of a first mortgage on a Unit, the Association, and the real estate to which it is applicable, runs with the land, is coupled with an interest, and is irrevocable.

ARTICLE XIV

GRANTS AND RESERVATIONS OF RIGHTS AND EASEMENTS

Section 1. Easements of Enjoyment; Limitations. Every Unit owner shall have a right and easement of enjoyment in, over and upon the Common Areas and a right of access to and from his, her or its Unit, which rights and easements shall be appurtenant to and shall pass with the title to a Unit, subject to the right of the Board to make reasonable rules and regulations concerning the use and management of the Common Areas, provided that no such rule or regulation shall limit or prohibit the right of ingress and egress to a Unit, or any part thereof, or to that Unit's Limited Common Areas. Any Unit owner may delegate that Unit owner's right of enjoyment to the Common Areas and to ingress to and egress to the members of that Unit owner's family and to occupants.

Section 2. Right of Entry for Repair, Maintenance and Restoration. The Association shall have a right of entry and access to, over, upon and through all of the Condominium Property, including each Unit, to enable the Association to perform its obligations, rights and duties pursuant hereto with regard to maintenance, repair, restoration and/or servicing of any items, things or areas of or in the Condominium Property. In the event of an emergency, the Association's right of entry to a Unit and its appurtenant Limited Common Areas may be exercised without notice; otherwise, the Association shall give the Owners or occupants of a Unit no less than 24-hours advance notice prior to entering a Unit or its appurtenant Limited Common Areas.

Section 3. Grant of Permanent Easement. The Declarant hereby grants a permanent, non-exclusive easement over the additional property into which the Condominium may be expanded, (described in Exhibit C), for access across the private drive located on such additional property, at the location described in Exhibit D and shown on the Drawings, for ingress and egress to and from the condominium property and Dempsey Road. This easement shall remain in full force and effect, whether or not all such additional property, or any part thereof, is added to the Condominium. In the event that such additional property, or any portion thereof, upon which a portion of such private drive is located, is not added to the condominium, then the Association shall pay, and charge the Unit owners as a common expense, a portion of the maintenance, repair and replacement costs attributable to the portion of the private street which is contiguous to the Condominium Property, which portion shall be calculated by multiplying the costs of such maintenance, repair and replacements by a fraction, the numerator of which is the number of Units in the Condominium, and the denominator of which is 102. The remedies of the owner of such private

street, against the Association, for the Association's failure to pay its proportionate share of such maintenance, repair and replacement expenses, shall be limited to actions for money and appropriate attachment and collection procedures in connection therewith, but in no event shall the easement granted in this section be terminated.

Section 4. Easements for Encroachments. Each Unit and the Common Areas shall be subject to easements for encroachments on any other Unit and upon the Common Areas created or arising by reason of overhangs; or by reason of deviations in construction, reconstruction, or repair; or by reason of shifting, settlement, or movement of the structures; or by reason of errors in the Drawings. Valid easements for these encroachments and for the maintenance of same, so long as the encroaching structures remain, shall and do exist.

Section 5. Easement for Support. Every portion of a building or utility line or any improvement on any portion of the Condominium Property contributing to the support of another building, utility line or improvement on another portion of the Condominium Property shall be burdened with an easement of support for the benefit of all other such buildings, utility lines, improvements and other portions of the Condominium Property.

Section 6. Easements for Utilities. There is hereby created upon, over and under all of the Condominium Property easements to the Association for ingress and egress to, and the installation, replacing, repairing and maintaining of all utilities, including, but not limited to water, sewer, gas, telephone, electricity, security systems, master television antennas and cable television. By this easement it shall be expressly permissible for the Association to grant to the providing company permission to construct and maintain the necessary poles and equipment, wires, circuits and conduits on, above, across and under the Condominium Property, so long as such poles, equipment, wires, circuits and conduits do not unreasonably interfere with the use and enjoyment of the Condominium Property. Should any utility company furnishing a service request a specific easement by separate recordable document, the Board shall have the right to grant such easement without conflicting with the terms hereof.

Section 7. Easement for Services. A non-exclusive easement is hereby granted to all police, firemen, ambulance operators, mailmen, deliverymen, garbage and trash removal personnel, and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Common Areas in the performance of their duties.

Section 8. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to the Declarant, its successors and assigns, over and upon the Common Areas (a) for a one-year period of time from the date of the filing of this Declaration, for access for and for the purpose of completing improvements for which provision is made in this Declaration, provided that such right of access shall be to the extent, but only to the extent, that access thereto is not otherwise reasonably available, (b) for the periods provided for warranties hereunder, for purposes of making repairs required pursuant to those warranties or pursuant to contracts of sale made with Unit purchasers, and (c) until the Declarant has sold all units, to maintain one or more Units for sales and management offices and for storage and maintenance, and model Units, parking areas for sales and rental purposes, and advertising signs.

In addition, a non-exclusive perpetual easement is hereby reserved to Declarant, its successors and assigns, for their benefit and the benefit of future owners and occupants of the area into which the Condominium may be expanded ("the additional property"), hereinafter described, for pedestrian and vehicular access over roadways and footpaths within the Condominium Property, for ingress and egress to and from the additional property, and each part thereof, and a public street, and to extend the same onto the Additional Property. Additionally, Declarant, for itself and its successors and assigns, reserves the right to extend and tie into main line utility lines in the Common Areas, as permitted by public authority and the utility company involved, to extend such lines into the additional property to service the same. These easements shall continue in effect whether or not all of the additional property, or any part thereof, is added to the condominium.

Section 9. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, hereby irrevocably appoints the President of the Association, his, her or its attorney-in-fact, to execute, deliver, acknowledge and record, for and in the name of such Unit owner, such deeds of easement and other instruments as may be necessary or desirable, in the sole discretion of the Board, to further establish or effectuate the foregoing easements. This power is for the benefit of each and every Unit owner, the Association, and the real estate to which it is applicable, runs with the land, is coupled with an interest, and is irrevocable

Section 10. General. The easements and grants provided herein shall in no way affect any other recorded grant or easement.

ARTICLE XV

ASSESSMENTS AND ASSESSMENT LIENS

Section 1. Types of Assessments. The Declarant for each Unit within the Condominium hereby covenants, and each Unit owner by acceptance of a deed to a Unit (whether or not it shall be so expressed in such deed), is deemed to covenant and agree to pay to the Association: (1) annual operating assessments, (2) special assessments for capital improvements, and (3) special individual Unit assessments, all of such assessments to be established and collected as hereinafter provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of Unit owners and occupants and the best interests of the Condominium Property.

Section 3. Elements-Apportionment: Due Dates.

(a) Annual Operating Assessments.

(1) At such time prior to the closing by Declarant of the sale of the first Unit, and prior to the beginning of each fiscal year of the Association thereafter, the Board shall estimate, and prorate among the Units on the basis of the undivided interest of each Unit in the Common Areas, common expenses of the Association consisting of the following:

a. the estimated next fiscal year's cost of the maintenance, repair, and other services to be provided by the Association;

b. the estimated next fiscal year's costs for insurance and bond premiums to be provided and paid for by the Association;

c. the estimated next fiscal year's costs for utility services not separately metered;

d. the estimated amount required to be collected to maintain a working capital fund in an amount not less than two months' estimated common expenses for each unit, to assure availability of funds for normal operations of the Association. (The initial contribution to such working capital fund shall be collected no later than at the closing of each unit, and such initial amounts paid into this fund shall not be considered as advance payments of regular assessments. Such initial contribution shall be completed at the time that the election of all trustees is turned over to the Association, and such funds shall be placed by the trustees in a segregated fund. Prior to such date, such funds may not be used to defray expenses, reserve contributions, construction costs, or to make up budget deficits.);

e. an amount deemed adequate by the Board to maintain a reserve for the cost of unexpected repairs and replacements and periodic maintenance, repair and replacement of improvements and for the repair and replacement of major improvements for which cash reserves over a period of time in excess of one year ought to be maintained, and for the funding of insurance deductibles in the event of casulty loss;

f. the estimated next fiscal year's costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs constituting common expenses not otherwise herein specifically excluded; and

g. the Association's share of any expense of maintenance, repair and replacement of private streets on the additional property.

(2) The Board shall thereupon allocate to each Unit that Unit's share of all of these items, prorated in accordance with each respective Unit's undivided interest in the Common Areas, and thereby establish the annual operating assessment for each separate Unit. For administrative convenience, any such assessment may be rounded so that monthly installments will be in whole dollars.

(3) The annual operating assessment shall be payable in advance, in equal monthly installments, provided that nothing contained herein shall prohibit any Unit owner from prepaying assessments in annual, semi-annual, quarterly or monthly increments. The due dates of any such installments shall be established by the Board, and, unless otherwise provided, the Association shall collect on or before the first day of each month from those who own the Unit an equal monthly prorata share of the annual operating assessment for that Unit.

(4) If the amounts so collected are, at any time, insufficient to meet all obligations for which those funds are to be used, the deficiency shall be assessed by the Board among the Units on the same basis as heretofore set forth.

(5) If assessments collected during any fiscal year are in excess of the funds necessary to meet the anticipated expenses for which the same have been collected, the excess shall be retained as reserves, and shall in no event be deemed profits nor available, except on dissolution of the Association, for distribution to Unit owners.

(b) Special Assessments for Capital Improvements.

(1) In addition to the annual operating assessments, the Board may levy, in any fiscal year, special assessments to construct, reconstruct or replace capital improvements on the Common Areas to the extent that reserves therefor are insufficient, provided that new capital improvements not replacing existing improvements shall not be constructed nor funds assessed therefor, if the cost thereof in any fiscal year would exceed an amount equal to five percent of that fiscal year's budget, without the prior consent of Unit owners exercising no less than seventy-five percent (75%) of the voting power of Unit owners and the consent of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible holders of mortgages appertain.

(2) Any such assessment shall be prorated among all Units in proportion to their respective undivided interests in the Common Areas, and shall become due and payable on such date or dates as the Board determines following written notice to the Unit owners.

(c) Special Individual Unit Assessments. The Board may levy an assessment against an individual Unit, or Units, to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of making repairs the responsibility of a Unit owner, the cost of insurance premiums separately billed to a Unit owner, and a Unit owner's enforcement and arbitration charges). Any such assessment shall become due and payable on such date as the Board determines, and gives written notice to the Unit owners subject thereto. Additionally, during the first years of the Condominium's existence, and until such time as real estate taxes and assessments are split into separate tax bills for each Unit, the Association shall have the right to pay the real estate taxes and assessments attributable to the Condominium Property in the event the same have not been paid, when due, and assess each Unit owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those taxes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Condominium Property by the undivided interest in Common Areas attributable to that Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit Owners.

Section 4. Effective Date of Assessments. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit owner subject thereto at least ten days prior to the due date thereof, or the due date of the first installment thereof, if to be paid in installments. Written notice mailed or delivered to a Unit owner's Unit shall constitute notice to that Unit owner, unless the Unit owner has delivered written notice to the Board of a different address for such notices, in which event the mailing of the same to that last designated address shall constitute notice to that Unit owner.

Section 5. Effect of Nonpayment of Assessment; Remedies of the Association.

(a) If any assessment or any installment of any assessment is not paid within ten (10) days after the same has become due, the Board, at its option, without demand or notice, may (i) declare the entire unpaid balance of the assessment immediately due and payable, (ii) charge interest on the entire unpaid balance (or on an overdue installment, alone, if it hasn't exercised its option to declare the entire unpaid balance due and payable), at the highest rate of interest then permitted by law, or at such lower rate as the Board may from time to time determine, and (iii) charge a reasonable, uniform late fee, as determined from time to time by the Board.

(b) Annual operating and both types of special assessments, together with interest, late charges and costs, shall be a charge and a continuing lien in favor of the Association upon the Unit against which each such assessment is made.

(c) At any time after an installment of an assessment levied pursuant hereto remains unpaid for ten (10) or more days after the same has become due and payable, a certificate of lien for all or any part of the unpaid balance of that assessment, and interest and costs, may be filed with the Recorder of Franklin County, Ohio, pursuant to authorization given by the Board. The certificate shall contain a description of the Unit against which the lien exists, the name or names of the record owner or owners thereof, and the amount of the unpaid portion of the assessments, and shall be signed by the president or other chief officer of the Association.

(d) The lien provided for herein shall remain valid for a period of five (5) years from the date a certificate of lien was duly filed therefor, unless sooner released or satisfied in the same manner provided by law in the State of Ohio for the release and satisfaction of mortgages on real property, or discharged by the final judgment or order of a court in an action brought to discharge the lien.

(e) Any Unit owner who believes that an assessment chargeable to his, her or its Unit (for which a certificate of lien has been filed by the Association) has been improperly charged against that Unit, may bring an action in the Court of Common Pleas of Franklin County, Ohio for the discharge of that lien. In any such action, if it is finally determined that all or a portion of the assessment has been improperly charged to that Unit, the court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien.

(f) Each such assessment together with interest and costs shall also be the joint and several personal obligation of the Unit owners who owned the Unit at the time when the assessment fell due. The obligation for delinquent assessments, interest and costs shall not be the personal obligation of that owner or owners' successors in title unless expressly assumed by the successors, provided, however, that the right of the Association to a lien against that Unit, or to foreclose any lien thereon for these delinquent assessments, interest and costs, shall not be impaired or abridged by reason of the transfer, but shall continue unaffected thereby.

(g) The Association, as authorized by the Board, may file a lien or liens to secure payment of delinquent assessments, interest, late charges and costs, bring an action at law against the owner or owners personally obligated to pay the same, and an action to foreclose a lien, or any one or more of these. In any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action, and the Association as plaintiff in any such action shall be entitled to become a purchaser at the foreclosure sale. In any such action, interest and costs of such action (including attorneys fees) shall be added to the amount of any such assessment, to the extent permitted by Ohio law.

(h) No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Areas, or any part thereof, or by abandonment of his, her or its Unit.

Section 6. Subordination of the Lien to First Mortgages. The lien of the assessments and charges provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a Unit recorded prior to the date on which such lien of the Association arises, and any holder of such first mortgage which comes into possession of a Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid installments of assessments or charges against the mortgaged Unit which became due and payable prior to foreclosure sale.

Section 7. Certificate Regarding Assessments. The Board shall, upon demand, for a reasonable charge, furnish a certificate signed by the president, treasurer, secretary or other designated representative of the Association, setting forth whether the assessments on a specified Unit have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE XVI

NOTICES TO MORTGAGEES

Any holder, insurer or guarantor of a first mortgage, upon written request to the Association (which request states the name and address of such holder, insurer or guarantor and the Unit designation or address), shall be entitled to timely written notice, (delivered by certified or registered mail, return receipt requested), by the Association of:

1. any proposed addition or amendment of the Condominium organizational documents effecting a material change or addition in provisions establishing, providing for, governing or regulating (a) voting, (b) assessments, assessment liens or subordination of such liens, (c) reserves or maintenance, repair and replacement of Condominium Property, (d) insurance or fidelity bonds, (e) rights to use of the Common Areas, (f) responsibility for maintenance and repair, (g) expansion or contraction of the Condominium or the addition, annexation or withdrawal of property to or from the Condominium, (h) the boundaries or composition of any Unit, (i) the interests in the Common or Limited Common Areas, (j) the convertibility of Units into Common Areas or of Common Areas into Units, (k) the leasing of any Unit or part thereof, (l) the imposition of any right of first refusal or similar restriction on the right of a Unit owner to sell, transfer, or otherwise convey his or her Unit, or (m) any provisions which are for the express benefit of the holder, insurer or guarantor of any first mortgage on a Unit.

2. any proposed termination of the Condominium as a condominium regime;

3. any condemnation, eminent domain proceeding, or casulty loss which may affect a material portion of the Condominium Property or any Unit on which there is a first mortgage held, insured or guaranteed by such eligible holder;

4. any decision by the Association not to restore or repair any portion of the Condominium Property (after damage or destruction or partial condemnation), or not to restore or repair such property in a manner specified by the Condominium Organizational Documents;

5. any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

6. any decision by the Association to renew or rehabilitate the Condominium Property;

7. any decision by the Association to construct significant new capital improvements not replacing existing improvements;

8. times and places of Unit owners' meetings;

9. any default under the Condominium organizational documents which gives rise to a cause of action against a Unit owner whose Unit is subject to the mortgage of such holder or insurer, where the default has not been cured in sixty (60) days;

10. any decision by the Association to establish self-management when professional management had been required previously by an Elgible holder of a first mortgage lien; and

11. any proposed action which requires the consent of a specified percentage of Elgible holders of first mortgage liens.

No addition or amendment of the Condominium organizational documents shall be considered material if it is for the purpose of correcting technical errors or for clarification only.

ARTICLE XVII

CONDOMINIUM INSTRUMENT REQUIREMENTS

Section 1. General. The Condominium act requires that certain information be provided in the Condominium instruments. Much of this is provided elsewhere in the Condominium organizational documents and in other documents, but in order that all such information be provided in this Declaration, various items of that information are set forth in the following sections of this article.

Section 2. Deposits. Any deposit or down payment made in connection with a sale of a Unit by Declarant or its agent will be held in trust or escrow until delivered at the time of the closing of the sale or returned to or otherwise credited to the buyer, or forfeited to the Declarant. If, in the case of any such sale, a deposit or down payment of $2,000. or more is held for more than 90 days, interest at the rate of at least 4% per annum for any period exceeding 90 days shall be credited to the buyer at the time of the closing of the sale or upon return or other credit made to the buyer, or added to any forfeiture to the Declarant. Deposits held in trust or escrow pursuant to sales by Declarant or its agent shall not be subject to attachment by creditors of Declarant or the buyer.

Section 3. Association Control. Except in its capacity as a Unit owner of unsold Units, the Declarant or its agent will not retain a property interest in any of the Common Areas after control of the Association is assumed by the Association. The owners of Units that have been sold by the Declarant or its agent will assume control of the Association and the Common Areas, as elsewhere provided herein, in compliance with the requirements of the Condominium act. Neither the Association nor the Unit owners will be subject to any management contract or agreement executed prior to the assumption of control of the Association by Unit owners other than Declarant for more than one year subsequent to that assumption of control unless such a contract or agreement is renewed by a vote of the Unit owners pursuant to the provisions of the By-laws.

Section 4. Limited Warranty. Following are the limited warranties (and limitations thereon) which the Declarant gives to the buyers of a Unit from it, which are not binding upon the Declarant or enforceable by the buyers unless and until the sale of the Unit to the buyers is closed.

A. Units. Except as provided in subparagraph C, below, the Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of structural, mechanical, and other elements pertaining to the Unit, occasioned or necessitated by a defect in material or workmanship, that arise within a period of one year from the date the deed to the buyers for that Unit is filed for record.

B. Common Areas and Facilities. The Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of the roof and structural components, and mechanical, electrical, plumbing, and common service elements serving the Condominium as a whole, occasioned or necessitated by defects in material or workmanship, that arise within a period of two years from the date the deed is filed for record following the sale of the first unit in the Condominium to a purchaser in good faith for value.

C. Appliances, etc. In the case of ranges, refrigerators, disposals, and other appliances, if any, installed and furnished by the Declarant as part of the Unit, the Declarant assigns to the buyers all express and implied warranties of the manufacturer, and the Declarant's warranty with respect to such items is limited to the Declarant's warranty that the same have been properly installed.

D. Extended Warranties. The Declarant assigns to the buyers any warranties made to the Declarant that exceed the time periods for warranties that the Declarant has given to the buyers by this limited warranty.

E. Limitations.

(1) No responsibility is assumed for damage from any cause, whatsoever, other than to repair or replace, at the Declarant's cost, items containing defects covered by Declarant's warranty.

(2) No responsibility is assumed for consequential or incidental damage except to the extent, if any, not permitted to be excluded or limited by law.

(3) Implied warranties, if any, are limited to one year from the date on which the unit is deeded to the buyers, except to the extent, if any, that limitation is not lawful.

(4) These written warranties are the only express warranties the Declarant gives to the buyers unless additional warranties are included in a written contract between the Declarant and the buyers.

(5) Any request for service must be sent in writing to the Declarant at such address as the Declarant may designate from time to time, in writing to the buyers. The Declarant or the Declarant's designated representative will commence performance of the Declarant's obligations under this warranty within thirty (30) days after receipt of the buyers' request for service, and complete the same as soon as reasonably possible. All repairs and adjustments will be made Monday through Friday, 8:00 a.m. to 5:00 p.m.

F. Other Rights. This written limited warranty gives the buyers specific legal rights and the buyers may also have other legal rights under law.

G. Common Area Expansions. With respect to the repair or replacement of roof and structural components, and mechanical, electrical, plumbing, and common service elements in areas added to the Condominium, the two year warranty shall commence on the date the deed or other evidence of ownership is filed for record following the sale of the first Unit in that area added to a purchaser in good faith for value.

Section 5. Declarant's Obligations. Declarant will assume the rights and obligations of a Unit owner in its capacity as owner of Units not yet sold, including, without limitation, the obligation to pay common expenses attaching to such Units, from a date no later than the date upon which common expenses are first charged with respect to any Unit.

ARTICLE XVIII

AMENDMENTS

Section 1. Power to Amend. Except as hereinafter provided, amendment of this Declaration (or the other Condominium organizational documents) shall require (a) the consent of Unit owners exercising not less than seventy-five percent (75%) of the voting power of Unit owners, and (b) the consent of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible holders of first mortgages appertain. Notwithstanding the foregoing:

(a) the prior written consent of all Unit owners shall be required for any amendment effecting a change in:

(i) the boundaries of any Unit;

(ii) the undivided interest in the Common Areas appertaining to a Unit or the liability for common expenses appertaining thereto;

(iii) the number of votes in the Association appertaining to any Unit; or

(iv) the fundamental purposes to which any Unit or the Common Areas are restricted;

(b) the prior written consent of Unit owners exercising not less than eighty percent (80%) of the voting power of Unit owners (for the purposes of the foregoing, such consent with respect to a Unit owned by the Declarant shall not be valid unless prior written consent is obtained from the mortgagee of such Unit), and the consent of eligible holders of first mortgages on units to which at least seventy-five (75%) of the votes of Units subject to mortgages held by eligible holders of first mortgage liens appertain shall be required to terminate the Condominium; and,

(c) the consent of eligible holders of first mortgages on Units to additions or amendments to the Condominium organizational documents shall not be required except in those instances, previously described, in which the eligible holders of first mortgages on Units are entitled to written notice of such proposed addition or amendment;

(d) in any event, Declarant reserves the right and power, and each Unit owner by acceptance of a deed to a Unit is deemed, to and does give and grant to Declarant a power of attorney, which right and power is coupled with an interest and runs with the title to a Unit and is irrevocable (except by Declarant), for a period of three (3) years from the date of the filing of the Declaration, to amend the Condominium organizational documents, to the extent necessary to conform to the requirements then governing the purchase or insurance of mortgages by The Mortgage Corporation, Federal National Mortgage Association, Government National Mortgage Association, Mortgage Guaranty Insurance Corporation, the Federal Housing Administration, the Veterans Administration, or any other such agency or organization, provided that the appropriate percentage (as described elsewhere herein) of eligible holders of first mortgage liens is obtained, or to correct typographical errors or obvious factual errors the

correction of which would not impair the interest of any Unit owner or mortgagee; and further provided that if there is a Unit Owner other than the Declarant, the Declaration shall not be amended to increase the scope or the period of control of the Declarant.

An elgible holder of a first mortgage on a Unit who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative response within thirty (30) days after it receives such written notice, (provided that notice was delivered by certified or registered mail, return receipt requested), shall be deemed to have approved such request.

Section 2. Method to Amend. An amendment to this Declaration (or the Drawings or the By-Laws), adopted with the consents hereinbefore provided, shall be executed with the same formalities as this Declaration by two officers of the Association and shall contain their certification that the amendment was duly adopted in accordance with the foregoing provisions. Any amendment adopted by the Declarant or a duly empowered successor Declarant pursuant to authority granted it pursuant to the Declaration shall be duly executed by it with the same formalities as to execution as this Declaration and shall contain the certification of such signor or signors that such amendment is made pursuant to authority vested in the Declarant or any duly empowered successor Declarant by the Declaration. Any amendment duly adopted and executed in accordance with the foregoing provisions shall be effective upon the filing of the same with the Auditor and Recorder of Franklin County, Ohio.

ARTICLE XIX

EXPANSIONS

Section 1. Reservation of Expansion Option. Declarant expressly reserves the option to expand the Condominium Property as provided in this article.

Section 2. Limitations on Option. Declarant has no limitations on its option to expand the Condominium Property except as provided in this article, or elsewhere in this Declaration, and except as otherwise so expressly limited, has the sole right, power, and authority to expand the Condominium Property. No Unit owner's consent is required to enable Declarant to expand the Condominium Property.

Section 3. Maximum Expansion Time. Declarant's option to expand the Condominium Property shall expire and terminate at the end of seven years from the date this Declaration is filed for record, unless Declarant, by written notice to the Association, elects to waive that option effective at a time prior to the expiration of that seven year period. There are no other circumstances that will terminate that option prior to the expiration of that seven year period.

Section 4. Legal Description. A legal description, by metes and bounds, of all additional property that, through exercise of Declarant's option, may be added to the Condominium Property by submission to the Condominium act as part of this condominium, is attached hereto and marked "Exhibit C", and referred to herein as "the additional property".

Section 5. Composition of Portions Added. Neither all nor any portion of the additional property must be added to the Condominium Property, nor, if any of the additional property is added, shall it be required that a particular portion of the additional property must be added, provided that portions added meet all other

requirements set forth in this article, and all improvements on portions added are substantially completed prior to the time added to the Condominium. Except as expressly provided in this article, there are no limitations on the portions of the additional property that may be added to the Condominium Property.

Section 6. Time for Adding Portions. Portions of the additional property may be added to the Condominium Property from time to time, and at different times, within the time limit previously described. There are no limitations fixing the boundaries of portions added, or regulating the order in which portions are added.

Section 7. Improvement Location Limitations. There are no established or defined limitations as to the location of any improvements that may be made on any portion of the additional property added to the Condominium Property except such limitations as may then be in effect by reason of the laws and lawful rules and regulations of the appropriate governmental bodies and authorities having jurisdiction.

Section 8. Maximum Number of Units. The maximum total number of Units that may be created on the additional property and added to the Condominium Property is eighty (80), provided, that the foregoing shall neither limit nor restrict nor be so construed as to limit or restrict the number of dwelling units that may be constructed on all or any portion of the additional property that is not added to the Condominium Property. Subject to the foregoing total maximum of Units that may be added to the Condominium Property there is no limit as to the maximum number of units per acre that may be created on any portion of the additional property added to the Condominium Property, provided that the total number of units in the Condominium, after any portion of the additional property is added thereto, shall not exceed an aggregate of eight units per acre.

Section 9. Non-Residential Uses. The maximum percentage of the aggregate land and floor area of all Units that may be created on the additional property or portions thereof and added to the Condominium Property that are not restricted exclusively to residential use is zero, since no such Unit may be so created and added. There is no restriction on the use of the additional property, or any portion thereof, which is not added to the Condominium Property.

Section 10. Compatibility of Structures. All structures erected on all or any portion of the additional property and added to the Condominium Property will consistent with and be reasonably compatible with, but need not be substantially identical to, the structures then on the Condominium Property in terms of quality of construction, the principal materials to be used, and architectural style and design. Consistency and compatible style and design shall be deemed to exist if the exterior appearance of the structures on the additional property is compatible and harmonious with those then on the Condominium Property. Design shall not be deemed to be incompatible or not compatible because of changes in the number of dwelling units in a building, variances in set-backs or locations of structures in relation to other improvements, or changes from townhouse to ranch style or one-story units.

Section 11. Improvements other than Structures. If all or a portion of the additional property is added to the Condominium Property, drives, sidewalks, yard areas, and other improvements similar to those then on the Condominium Property shall be constructed on that additional property added to the Condominium, and no other non-structural improvements. Improvements other than structures added to the

Condominium Property shall not include improvements except of substantially the same kind, style, design and quality as those improvements then on the Condominium Property.

Section 12. Types of Units. All Units that are created on all or any porti n of the additional property and added to the Condominium Property will be consistent with and reasonably compatible with, but need not be substantially identical to any of the types of Units then on the Condominium Property, provided, however, that any such Units shall be deemed consistent and compatible notwithstanding changes in the square footage, interior layout of the Units, and changes from townhouse to ranch style or one-story units. There are no other limitations as to the types of Units which may be created on the Additional Property.

Section 13. Limited Common Areas. Declarant reserves the right with respect to all or any portion of the additional property added to the Condominium Property to create Limited Common Areas therein consistent in type, size, and number as those areas then so designated as such in the Condominium Property, including, without limiting the generality of the foregoing, patios, decks, and limited common driveway areas. The precise size and number of such newly created Limited Common Areas cannot be ascertained precisely, because those facts will depend on how large each portion added may be, the size and location of the buildings and other improvements on each portion, and other factors presently undetermined.

Section 14. Supplementary Drawings. Declarant does not consider any other drawings or plans, other than the Condominium Drawings, presently appropriate in supplementing the foregoing provisions of this article. However, at such time as Declarant adds all or any portion of the additional property to the Condominium Property it shall file drawings and plans with respect to the additional property as required by the Condominium act.

Section 15. Procedures for Expansion. All or any portion of the additional property shall be added to the Condominium Property by the execution and filing for record by the Declarant and all owners and ground lessees of the land so added, in the manner provided by the Condominium act, of an amendment to the Declaration that contains the information, drawings and plans with respect to the additional property and improvements thereon added required by the Condominium act.

Section 16. Effects of Expansion. Upon the filing for record of an amendment to the Declaration adding all or any portion of the additional property to the Condominium Property:

(a) the added portion shall thereafter be subject to all of the terms and provisions hereof, to the same extent and with the same effect as if that added portion had been provided herein as constituting part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan set forth herein shall run with and bind the added portion in the same manner, to the same extent, and with the same force and effect as the terms of this Declaration apply to the Condominium Property;

(b) the owner or owners of the added portion shall thereupon become members, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and

(c) the undivided interests of Units in the Common Areas, as so expanded, shall be reallocated equally among all Units; and

(d) in all other respects, all of the provisions of this Declaration shall include and apply to such additional portions, and to the owners, mortgagees and lessees thereof, with equal meaning and of like force and effect.

ARTICLE XX

GENERAL PROVISIONS

Section 1. Covenants Running With the Land. The covenants, conditions, restrictions, easements, reservations, liens and charges created hereunder or hereby shall run with and bind the land, and each part thereof, and shall be binding upon and inure to the benefit of all parties having any right, title or interest in or to all or any part of the Condominium Property, and the Association, and their respective heirs, executors, administrators, successors and assigns.

Section 2. Enforcement. In addition to any other remedies provided in this Declaration, Declarant, (only with respect to those rights directly benefiting the Declarant), the Association, and each Unit owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges set forth herein or in the By-Laws or now or hereafter imposed by or through the Association's rules and regulations. Failure by Declarant, the Association or by any Unit owner to proceed with such enforcement shall in no event be deemed a waiver of the right to enforce at a later date the original violation or a subsequent violation, nor shall the doctrine of laches nor any statute of limitations bar the enforcement of any such restriction, condition, covenant, reservation, easement, lien or charge. Further, the Association and each Unit owner shall have rights of action against each other for failure to comply with the provisions of the Condominium organizational documents, rules and regulations, and applicable law, and with respect to decisions made pursuant to authority granted thereunder, and the Association shall have the right to assess reasonable charges against a Unit owner who fails to comply with the same, including the right to assess charges for the costs of enforcement and arbitration. Notwithstanding the foregoing, in the event of any dispute between the Association and any Unit owner or occupant, other than with regard to assessments, that cannot be settled by an agreement between them, the matter shall first be submitted to arbitration in accordance with and pursuant to the arbitration law of Ohio then in effect (presently Chapter 2711 of the Revised Code of Ohio), by a single independent arbitrator selected by the Board.

Section 3. Severability. Invalidation of any one or more of these covenants, conditions, restrictions or easements by judgment or court order shall in no way affect any other provisions, which provisions shall remain in full force and effect. In the event any language of this Declaration conflicts with mandatory provisions of the Condominium act, the latter's requirements shall prevail and the conflicting language shall be deemed to be invalid and void, provided that such invalidity shall in no wise affect any other provisions of this Declaration, which provisions shall remain in full force and effect.

Section 4. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, partnerships, men or women, shall in all cases be assumed as though in such case fully expressed.

Section 5. Captions. The captions of the various provisions of this Declaration are not part of the context hereof, but are merely labels to assist in locating the various provisions hereof.

FIRST AMENDMENT TO DECLARATION

This Amendment to the Declaration of Condominium for Spring Run Condominium, ("the Condominium"), expanding and submitting additional property to the condominium is made this 1st day of September, 1989.

Background

Romanelli and Hughes Building Company, an Ohio Corporation, ("Declarant"), is the owner in fee simple of all the real property hereinafter described and the improvements thereon and appurtenances thereto.

The Declarant has submitted certain property to the provisions of Section 5311 of the Ohio Revised Code by the filing of a Declaration of Condominium (the "Declaration") of Spring Run Condominium. The Declaration is recorded in Official Records 13888 E-15 et seq., and the drawings are recorded in Condominium Plat Book 44, Pages 57 et seq., all of the Franklin County, Ohio Records.

The Declarant, pursuant to Article XIX of the Declaration, reserved the right to expand the Condominium property by amending the Declaration to add the property (described in Exhibit C of the Declaration as the "Additional Property"), and improvements thereon and appurtenances thereto, to the original condominium. By this instrument, the Declarant is adding a portion of the Additional Property to the Condominium.

Declaration

Declarant, the sole owner of the Additional Property, hereby submits the portion of the Additional Property described on Exhibit A to this Amendment, to the provisions of Chapter 5311 of the Ohio Revised Code, and hereby amends the Declaration of the Condominium as follows:

1. Definitions. All terms used herein shall have the same meanings as those terms are defined in the Declaration.

2. Additional Property Added. A legal description of the property being added to the Condominium is attached hereto as "Exhibit A" and incorporated herein by this reference.

3. Name. The Condominium, as expended hereby, shall continue to be named "Spring Run Condominium".

4. Purposes. The purposes of the Condominium shall continue to be as set forth in the Declaration (encompassing the additional property added hereby).

5. Improvements Description. The property being added by this amendment consists of 2.529 acres of land, on which is situated 2 buildings, containing a total of 12 units. Improvements on such property are compatible in terms of quality of construction, principal materials used, and architectural style and design to the improvements now a part of the Condominium Property.

6. Units.

a. Unit Designation. Each of the Units added to the Condominium is designated on the drawings filed simultaneously herewith, by a number, where that Unit is located. A listing of the proper Unit designations (and the proper Unit designations of all other Units in the Condominium), are shown on the attached Exhibit B.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the Drawings filed simultaneously herewith, including and excluding, as appropriate, those same items as are described and defined in the description of Units in the Declaration. The location of each Unit added hereby is shown on the Drawings filed herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the Drawings filed simultaneously herewith.

7. Common and Limited Common Areas.

a. Common Areas. All of the Additional Property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the amendment to the Drawings filed herewith as a part of a Unit, are Common Areas.

b. Limited Common Areas. Those portions of the Common Areas that are added hereby that are labeled to designated "LCA" or "limited common areas" on the Drawings filed herewith, are Limited Common Areas. These Limited Common Areas are reserved for the exclusive use of the Units which those improvements are designed to serve.

c. Percentages of Ownership. The undivided interest in the Common Areas appurtenant to all Units in the Condominium as expanded hereby, and as thereby allocated and reallocated, are shown in the attached Exhibit B, and

are all equal to one/thirty-fourth (1/34). The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

8. Effects of Expansion. Upon the filing for record of this Amendment to the Declaration adding the property described in Exhibit A to the Condominium Property:

a. the property shall hereafter be subject to all of the terms and provisions of the Declaration, to the same extent and with the same effect as if that property had been initially part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan shall run with and will and bind such property in the same manner, to the same extent, and with the same force and effect as the terms of the Declaration apply to the original Condominium Property;

b. the owner or owners of Units within such property shall thereupon become members of the Condominium Association, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and

c. in all other respects, all of the provisions of the Declaration shall include and apply to such property, and to the owners, mortgagees and lessees of Units thereon, with equal meaning and of like force and effect.

Drawings, as required by the Ohio Revised Code, are filed herewith showing the information required with respect to the property added by this amendment.

SECOND AMENDMENT TO DECLARATION

This Amendment to the Declaration of Condominium for Spring Run Condominium, ("the Condominium"), expanding and submitting additional property to the condominium is made this 2nd day of October, 1989.

Background

Romanelli and Hughes Building Company, an Ohio Corporation, ("Declarant"), is the owner in fee simple of all the real property hereinafter described and the improvements thereon and appurtenances thereto.

The Declarant has submitted certain property to the provisions of Section 5311 of the Ohio Revised Code by the filing of a Declaration of Condominium (the "Declaration") of Spring Run Condominium. The Declaration is recorded in Official Records 13888 E-15 et seq., and the drawings are recorded in Condominium Plat Book 44, Pages 57 et seq., all of the Franklin County, Ohio Records.

The Declarant, pursuant to Article XIX of the Declaration, reserved the right to expand the Condominium property by amending the Declaration to add the property (described in Exhibit C of the Declaration as the "Additional Property"), and improvements thereon and appurtenances thereto, to the original condominium. By this instrument, the Declarant is adding a portion of the Additional Property to the Condominium.

Declaration

Declarant, the sole owner of the Additional Property, hereby submits the portion of the Additional Property described on Exhibit A to this Amendment, to the provisions of Chapter 5311 of the Ohio Revised Code, and hereby amends the Declaration of the Condominium as follows:

1. Definitions. All terms used herein shall have the same meanings as those terms are defined in the Declaration.

2. Additional Property Added. A legal description of the property being added to the Condominium is attached hereto as "Exhibit A" and incorporated herein by this reference.

3. Name. The Condominium, as expended hereby, shall continue to be named "Spring Run Condominium".

4. Purposes. The purposes of the Condominium shall continue to be as set forth in the Declaration (encompassing the additional property added hereby).

5. Improvements Description. The property being added by this amendment consists of 3.357 acres of land, on which is situated 3 buildings, containing a total of 16 units. Improvements on such property are compatible in terms of quality of construction, principal materials used, and architectural style and design to the improvements now a part of the Condominium Property.

6. Units.

a. Unit Designation. Each of the Units added to the Condominium is designated on the drawings filed simultaneously herewith, by a number, where that Unit is located. A listing of the proper Unit designations (and the proper Unit designations of all other Units in the Condominium), are shown on the attached Exhibit B.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the Drawings filed simultaneously herewith, including and excluding, as appropriate, those same items as are described and defined in the description of Units in the Declaration. The location of each Unit added hereby is shown on the Drawings filed herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the Drawings filed simultaneously herewith.

7. Common and Limited Common Areas.

a. Common Areas. All of the additional property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the amendment to the Drawings filed herewith as a part of a Unit, are Common Areas.

b. Limited Common Areas. Those portions of the Common Areas that are added hereby that are labeled to designated "LCA" or "limited common areas" on the Drawings filed herewith, are Limited Common Areas. These Limited Common Areas are reserved for the exclusive use of the Units which those improvements are designed to serve.

c. Percentages of Ownership. The undivided interest in the Common Areas appurtenant to all Units in the Condominium as expanded hereby, and as thereby allocated and reallocated, are shown in the attached Exhibit B, and

are all equal to one/fiftieth (1/50). The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

8. Effects of Expansion. Upon the filing for record of this Amendment to the Declaration adding the property described in Exhibit A to the Condominium Property:

a. the property shall hereafter be subject to all of the terms and provisions of the Declaration, to the same extent and with the same effect as if that property had been initially part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan shall run with and will and bind such property in the same manner, to the same extent, and with the same force and effect as the terms of the Declaration apply to the original Condominium Property;

b. the owner or owners of Units within such property shall thereupon become members of the Condominium Association, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and

c. in all other respects, all of the provisions of the Declaration shall include and apply to such property, and to the owners, mortgagees and lessees of Units thereon, with equal meaning and of like force and effect.

Drawings, as required by the Ohio Revised Code, are filed herewith showing the information required with respect to the property added by this amendment.

9. Grant of Permanent Easement. The Declarant hereby expands the easement granted in the Declaration and described in Exhibit D to the Declaration, and hereby grants to the owners of the property being added to the Condominium by this amendment, as well as to the owners of all other units in the Condominium, a permanent, non-exclusive easement over the Additional Property into which the Condominium may be expanded, (described in Exhibit C of the Declaration), for access across the private drive located on such Additional Property, at the location described in Exhibit C to this amendment and shown on the Drawings filed herewith as "Roadway Easement", for ingress and egress to and from the Condominium Property and Dempsey Road. This easement

shall remain in full force and effect, whether or not all such Additional Property, or any part thereof, is added to the Condominium. In the event that such Additional Property, or any portion thereof, upon which a portion of such private drive is located, is not added to the condominium, then the Association shall pay, and charge the Unit owners as a common expense, a portion of the maintenance, repair and replacement costs attributable to the portion of the private street which is contiguous to the Condominium Property, which portion shall be calculated by multiplying the costs of such maintenance, repair and replacements by a fraction, the numerator of which is the number of Units in the Condominium, and the denominator of which is 102. The remedies of the owner of such private street, against the Association, for the Association's failure to pay its proportionate share of such maintenance, repair and replacement expenses, shall be limited to actions for money and appropriate attachment and collection procedures in connection therewith, but in no event shall the easement granted in this section be terminated.

IN WITNESS WHEREOF, this amendment has been executed on behalf of the Declarant on this 2nd day of October, 1989.

This Amendment to the Declaration of Condominium for Spring Run Condominium, ("the Condominium"), expanding and submitting additional property to the condominium is made as of the 2nd day of November, 1989.

Background

Romanelli and Hughes Building Company, an Ohio Corporation, ("Declarant"), is the owner in fee simple of all the real property hereinafter described and the improvements thereon and appurtenances thereto.

The Declarant has submitted certain property to the provisions of Section 5311 of the Ohio Revised Code by the filing of a Declaration of Condominium (the "Declaration") of Spring Run Condominium. The Declaration is recorded in Official Records 13888 E-15 et seq., and the drawings are recorded in Condominium Plat Book 44, Pages 57 et seq., all of the Franklin County, Ohio Records.

The Declarant, pursuant to Article XIX of the Declaration, reserved the right to expand the Condominium property by amending the Declaration to add the property (described in Exhibit C of the Declaration as the "Additional Property"), and improvements thereon and appurtenances thereto, to the original condominium. By this instrument, the Declarant is adding a portion of the Additional Property to the Condominium.

Declaration

Declarant, the sole owner of the Additional Property, hereby submits the portion of the Additional Property described on Exhibit A to this Amendment to the provisions of Chapter 5311 of the Ohio Revised Code, and hereby amends the Declaration of the Condominium as follows:

6. Units.

a. Unit Designation. Each of the Units added to the Condominium is designated on the drawings filed simultaneously herewith, by a number, where that Unit is located. A listing of the proper Unit designations (and the proper Unit designations of all other Units in the Condominium), are shown on the attached Exhibit B.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the Drawings filed simultaneously herewith, including and excluding, as appropriate, those same items as are described and defined in the description of Units in the Declaration. The location of each Unit added hereby is shown on the Drawings filed herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the Drawings filed simultaneously herewith.

7. Common and Limited Common Areas.

FOURTH AMENDMENT TO DECLARATION

This Amendment to the Declaration of Condominium for Spring Run Condominium, ("the Condominium"), expanding and submitting additional property to the condominium is made this 16 day of May, 1990.

Background

Romanelli and Hughes Building Company, an Ohio Corporation, ("Declarant"), is the owner in fee simple of all the real property hereinafter described and the improvements thereon and appurtenances thereto.

The Declarant has submitted certain property to the provisions of Section 5311 of the Ohio Revised Code by the filing of a Declaration of Condominium (the "Declaration") of Spring Run Condominium. The Declaration is recorded in Official Records 13888 E-15 et seq., and the drawings are recorded in Condominium Plat Book 44, Pages 57 et seq., all of the Franklin County, Ohio Records.

The Declarant, pursuant to Article XIX of the Declaration, reserved the right to expand the Condominium property by amending the Declaration to add the property (described in Exhibit C of the Declaration as the "Additional Property"), and improvements thereon and appurtenances thereto, to the original condominium. By this instrument, the Declarant is adding a portion of the Additional Property to the Condominium.

Declaration

Declarant, the sole owner of the Additional Property, hereby submits the portion of the Additional Property described on Exhibit A to this Amendment, to the provisions of Chapter 5311 of the Ohio Revised Code, and hereby amends the Declaration of the Condominium as follows:

1. Definitions. All terms used herein shall have the same meanings as those terms are defined in the Declaration.

2. Additional Property Added. A legal description of the property being added to the Condominium is attached hereto as "Exhibit A" and incorporated herein by this reference.

3. Name. The Condominium, as expended hereby, shall continue to be named "Spring Run Condominium".

4. Purposes. The purposes of the Condominium shall continue to be as set forth in the Declaration (encompassing the additional property added hereby).

5. Improvements Description. The property being added by this amendment consists of 3.786 acres of land, on which is situated 4 buildings, containing a total of 22 units. Improvements on such property are compatible in terms of quality of construction, principal materials used, and architectural style and design to the improvements now a part of the Condominium Property.

6. Units.

a. Unit Designation. Each of the Units added to the Condominium is designated on the drawings filed simultaneously herewith, by a number, where that Unit is located. A listing of the proper Unit designations (and the proper Unit designations of all other Units in the Condominium), are shown on the attached Exhibit B.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the Drawings filed simultaneously herewith, including and excluding, as appropriate, those same items as are described and defined in the description of Units in the Declaration. The location of each Unit added hereby is shown on the Drawings filed herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the Drawings filed simultaneously herewith.

7. Common and Limited Common Areas.

a. Common Areas. All of the additional property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the amendment to the Drawings filed herewith as a part of a Unit, are Common Areas.

b. Limited Common Areas. Those portions of the Common Areas that are added hereby that are labeled to designated "LCA" or "limited common areas" on the Drawings filed herewith, are Limited Common Areas. These Limited Common Areas are reserved for the exclusive use of the Units which those improvements are designed to serve.

c. Percentages of Ownership. The undivided interest in the Common Areas appurtenant to all Units in the Condominium as expanded hereby, and as thereby allocated and reallocated, are shown in the attached Exhibit B, and

are all equal to one/eighty-sixth (1/86). The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

8. Effects of Expansion. Upon the filing for record of this Amendment to the Declaration adding the property described in Exhibit A to the Condominium Property:

a. the property shall hereafter be subject to all of the terms and provisions of the Declaration, to the same extent and with the same effect as if that property had been initially part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan shall run with and will and bind such property in the same manner, to the same extent, and with the same force and effect as the terms of the Declaration apply to the original Condominium Property;

b. the owner or owners of Units within such property shall thereupon become members of the Condominium Association, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and

c. in all other respects, all of the provisions of the Declaration shall include and apply to such property, and to the owners, mortgagees and lessees of Units thereon, with equal meaning and of like force and effect.

Drawings, as required by the Ohio Revised Code, are filed herewith showing the information required with respect to the property added by this amendment.

9. Grant of Permanent Easement. The Declarant hereby expands the easement granted in the Declaration and described in Exhibit D to the Declaration, and hereby grants to the owners of the property being added to the Condominium by this amendment, as well as to the owners of all other units in the Condominium, a permanent, non-exclusive easement over the Additional Property into which the Condominium may be expanded, (described in Exhibit C of the Declaration), for access across the private drive located on such Additional Property, at the location described in Exhibit C to this amendment and shown on the Drawings filed herewith as "Private Road Easement", for ingress and egress to and from the Condominium Property and Dempsey Road. This easement

shall remain in full force and effect, whether or not all such Additional Property, or any part thereof, is added to the Condominium. In the event that such Additional Property, or any portion thereof, upon which a portion of such private drive is located, is not added to the condominium, then the Association shall pay, and charge the Unit owners as a common expense, a portion of the maintenance, repair and replacement costs attributable to the portion of the private street which is contiguous to the Condominium Property, which portion shall be calculated by multiplying the costs of such maintenance, repair and replacements by a fraction, the numerator of which is the number of Units in the Condominium, and the denominator of which is 102. The remedies of the owner of such private street, against the Association, for the Association's failure to pay its proportionate share of such maintenance, repair and replacement expenses, shall be limited to actions for money and appropriate attachment and collection procedures in connection therewith, but in no event shall the easement granted in this section be terminated.

IN WITNESS WHEREOF, this amendment has been executed on behalf of the Declarant on this 16 day of May, 1990.

FIFTH AMENDMENT TO DECLARATION

This Amendment to the Declaration of Condominium for Spring Run Condominium, ("the Condominium"), expanding and submitting additional property to the condominium is made this 11th day of June, 1990.

Background

Romanelli and Hughes Building Company, an Ohio Corporation, ("Declarant"), is the owner in fee simple of all the real property hereinafter described and the improvements thereon and appurtenances thereto.

The Declarant has submitted certain property to the provisions of Section 5311 of the Ohio Revised Code by the filing of a Declaration of Condominium (the "Declaration") of Spring Run Condominium. The Declaration is recorded in Official Records 13888 E-15 et seq., and the drawings are recorded in Condominium Plat Book 44, Pages 57 et seq., all of the Franklin County, Ohio Records.

The Declarant, pursuant to Article XIX of the Declaration, reserved the right to expand the Condominium property by amending the Declaration to add the property (described in Exhibit C of the Declaration as the "Additional Property"), and improvements thereon and appurtenances thereto, to the original condominium. By this instrument, the Declarant is adding a portion of the Additional Property to the Condominium.

Declaration

Declarant, the sole owner of the Additional Property, hereby submits the portion of the Additional Property described on Exhibit A to this Amendment, to the provisions of Chapter 5311 of the Ohio Revised Code, and hereby amends the Declaration of the Condominium as follows:

1. Definitions. All terms used herein shall have the same meanings as those terms are defined in the Declaration.

2. Additional Property Added. A legal description of the property being added to the Condominium is attached hereto as "Exhibit A" and incorporated herein by this reference.

3. Name. The Condominium, as expended hereby, shall continue to be named "Spring Run Condominium".

4. Purposes. The purposes of the Condominium shall continue to be as set forth in the Declaration (encompassing the additional property added hereby).

5. Improvements Description. The property being added by this amendment consists of 2.280 acres of land, on which is situated 3 buildings, containing a total of 16 units. Improvements on such property are compatible in terms of quality of construction, principal materials used, and architectural style and design to the improvements now a part of the Condominium Property.

6. Units.

a. Unit Designation. Each of the Units added to the Condominium is designated on the drawings filed simultaneously herewith, by a number, where that Unit is located. A listing of the proper Unit designations (and the proper Unit designations of all other Units in the Condominium), are shown on the attached Exhibit B.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the Drawings filed simultaneously herewith, including and excluding, as appropriate, those same items as are described and defined in the description of Units in the Declaration. The location of each Unit added hereby is shown on the Drawings filed herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the Drawings filed simultaneously herewith.

7. Common and Limited Common Areas.

a. Common Areas. All of the additional property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the amendment to the Drawings filed herewith as a part of a Unit, are Common Areas.

b. Limited Common Areas. Those portions of the Common Areas that are added hereby that are labeled to designated "LCA" or "limited common areas" on the Drawings filed herewith, are Limited Common Areas. These Limited Common Areas are reserved for the exclusive use of the Units which those improvements are designed to serve.

c. Percentages of Ownership. The undivided interest in the Common Areas appurtenant to all Units in the Condominium as expanded hereby, and as thereby allocated and reallocated, are shown in the attached Exhibit B, and are all equal to

one/one hundred-second (1/102). The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

8. Effects of Expansion. Upon the filing for record of this Amendment to the Declaration adding the property described in Exhibit A to the Condominium Property:

a. the property shall hereafter be subject to all of the terms and provisions of the Declaration, to the same extent and with the same effect as if that property had been initially part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan shall run with and will and bind such property in the same manner, to the same extent, and with the same force and effect as the terms of the Declaration apply to the original Condominium Property;

b. the owner or owners of Units within such property shall thereupon become members of the Condominium Association, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and

c. in all other respects, all of the provisions of the Declaration shall include and apply to such property, and to the owners, mortgagees and lessees of Units thereon, with equal meaning and of like force and effect.

Drawings, as required by the Ohio Revised Code, are filed herewith showing the information required with respect to the property added by this amendment.

AMENDMENT
TO THE
DECLARATION OF CONDOMINIUM OWNERSHIP
FOR
SPRING RUN CONDOMINIUM

The undersigned officers in Spring Run Condominium Association, (the "Association"), hereby certify that the following amendment of the Declaration of Condominium Ownership (the "Declaration") for Spring Run Condominium, (which Declaration is recorded in **Official Records 13888 E-15** et seq. of the Franklin County Ohio Records), was adopted with the consent of unit owners exercising not less than seventy-five percent (75%) of the voting power of all unit owners.

The Unit Owners, wishing to avoid the disqualification of the project from unit loans which may be available for units in projects only where certain "owner occupied" requirements are met, while at the same time endeavoring to protect the vested rights of current owners in the project, hereby amend the Declaration by deleting the current paragraph (g) of Article III, Section 2 of the Declaration and substituting the following new paragraph (g):

(g) **Renting and Leasing**. No Unit or part thereof, unless the same is owned by the Association, shall be rented or leased. The foregoing prohibition shall not apply to any of the following:

(1) Any Unit which is being leased on the effective date of this Amendment, so long as that Unit is owned by the same Owner who owns the unit as of the date of this Amendment.

(2) Any Unit while owned by an institutional holder, guarantor or insurer of a first mortgage loan upon such Unit, or any entity related to such holder, guarantor or insurer, where such holder, guarantor, insurer or related party has taken title to the Unit pursuant to foreclosure or deed or assignment in lieu of foreclosure;

(3) Any Unit where the rules and regulations of the applicable governmental or quasi-governmental agency holding, guaranteeing or insuring the first mortgage loan then encumbering the Unit in question, prohibit the leasing restrictions contained in this section (g); or

(4) Any Unit where the Board, upon application from the Owner detailing all of the relevant facts, determines that a hardship exists which warrants allowing such Unit Owner to rent such Unit for a period not to exceed one year. Without limiting the generality of the foregoing, the Board

may find such a hardship where, for instance, an Owner is transferred and is currently unable to sell a Unit, or wants to avoid selling the Unit at a disadvantageous time. In making its decision, the Board may nevertheless turn down a "hardship" situation if the number of other rental units in the project threatens the ability of the project to meet the "owner occupancy" requirements of lenders. Notwithstanding the foregoing one-year limitation, the Board may extend the time for allowing rental of a specific Unit upon the lender's request and certification that such extension is necessary to avoid the lender's foreclosure of its loan upon the property.

The Board's actions pursuant to this Subsection 4 shall be discharged in a consistent manner which is not discriminatory to any party in any manner. To insure such non-discriminatory exercise of discretion on the part of the Board, the Board shall maintain and retain records of all Owner applications for hardship permission to lease Units, and detailed records of the Board's deliberations and determinations, and all such records shall be available for inspection upon the request of any Owner.

The Board is hereby given authority, by rule-making power, to revise such restrictions upon leasing contained in this section (g), in the event and to the extent necessary, if either:

(i) Such restrictions are determined to be unlawful; or

(ii) It is determined that such restrictions become a source of concern for holders, guarantors or insurers of first mortgage loans, and that as a result of such concern, it becomes difficult for Owners to sell their Units.

Where, for any reason, leasing of a Unit is permitted, then no Unit or part thereof, unless the same is owned by the Association, shall be rented or used for transient or hotel purposes, which is defined as: (i) rental for any period less than thirty (30) days; (ii) rental under which occupants are provided customary hotel services such as room service for food and beverages, maid service, the furnishing of laundry and linen, busboy service, and similar services; or (iii) rental to roomers or boarders, that is, rental to one or more persons of a portion of a Unit only. No lease may be of less than an entire Unit. Any lease agreement shall be in writing, shall provide that the tenant shall be subject in all respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the lessee to comply with the terms of the Condominium organizational documents and lawful rules and regulations shall be a default under the lease. The Unit Owner of any leased Unit shall provide the Association with a sworn affidavit stating the names of the tenants, certifying that the lease complies in all respects with the requirements of this section, confirming that the tenants have been

given copies of the Declaration, By-Laws, and current Rules and Regulations of the Board, and acknowledging that the Owner remains responsible for any violations, and fines levied in connection with such violations, contained in the Declaration, By-Laws and Rules and Regulations, committed by his or her tenants.

The Provisions of this Amendment shall supersede any conflicting provision contained in the Condominium Declaration or By-Laws for Spring Run Condominium.

The effective date of this Amendment shall be the date this Amendment is filed with the Recorder of Franklin County, Ohio.

IN WITNESS WHEREOF, the undersigned officers and owner have executed this instrument as of the 16th day of SEPTEMBER, 1996.

Signed and acknowledged
